O Heavenly Father, today this body of people has assembled for the purpose of governing the people and resources of the great state of Alaska. I ask for your guidance for this assembly of people who have been entrusted with the duties of state.

As we follow those who have gone before us, may we be true to the good of our fellow citizens and humble enough to look from another point of view. May we be sober minded, have clarity of purpose, and be honest with ourselves as we look to the business of this day. May we be found with justice, fairness, and concern for others as we deal with delicate

issues. May we receive strength, courage, and patience from on high as we go through this day to sustain us on the wings of truth and honor above the strife and conflict of this day. Bless this body today. I ask this in the name of Jesus, Amen.

The Pledge of Allegiance was led by Representative Stoltze.

was read the first time and referred to the Finance Committee.

The Governor's transmittal letter dated January 28, 2013, follows:

"Dear Speaker Chenault:

Under the authority of Article III, Section 18 of the Alaska Constitution, I am transmitting a bill relating to supplemental appropriations for the State's operating and capital budgets for Fiscal Year 2013 (FY 2013). In this legislation, we exercise fiscal restraint by requesting a net decrease to our Administration's FY 2013 operating budget across all fund categories, over \$11 million alone in general fund reductions to agency operating budgets.

The supplemental budget reflects my direction to State agencies to manage programs within the existing budget. Accordingly, we bring forward a limited number of requests based on changes in the cost of delivering State services and programs that were not anticipated when

the FY 2013 budget was considered during the 2012 legislative session. The supplemental bill totals \$24.5 million attributable to increases in "other funds" and "federal fund" categories.

The operating supplemental request includes a \$25 million decrease in the Medicaid program, based in large part on the success of certain cost containment measures implemented upon the recommendation of the Medicaid Task Force. The Department of Health and Social Services will continue to review costs and utilization for potential additional savings in the current year budget. The supplemental request also includes reductions in debt service, while requesting funding for fire suppression, disaster relief, and specific settlements that resolve outstanding litigation.

Thank you for your consideration of this bill.

Sincerely,

/s/

Sean Parnell  
Governor"
