## CONFERENCE CS FOR HOUSE BILL NO. 66

"An Act making appropriations for the operating and capital expenses of the state's integrated comprehensive mental health program and making a reappropriation; and providing for an effective date."

Also transmitted was a copy of the following letter dated May 6, 2013, to Dr. William Doolittle, MD, Chair, Alaska Mental Health Trust Authority:

"Dear Dr. Doolittle,

Pursuant to the requirements of AS 37.14.005(c), this letter and the enclosed reports describe how the funding contained in HB 66—the FY14 Mental Health budget—differs from the FY14 Mental Health Trust Authority's (Authority) funding recommendations for the state's integrated comprehensive mental health program. While the statute requires reporting only on general fund expenditures, information regarding expenditures of Authority receipts is also included in the attached reports.

### **Operating Appropriations**

For mental health operating program funding, the *Agency Summary* report compares the FY14 Mental Health Trust Authority operating budget recommendations to the Governor's request and to the appropriations passed by the legislature. Note that, for comparison purposes, Authority recommendations include FY14 salary adjustments and base transactions requested by the Governor and the salary adjustments associated with SB 21. This brings the FY14 total recommendations to \$248.8 million (column 1). The Governor requested \$241.5 million (column 2), and the legislature appropriated \$241.3 million (column 3). As shown in the report, the legislature's budget is \$240,700 (0.2 percent) less than the Governor's request.

An enclosed *Transaction Comparison* report shows differences between Authority recommendations and the Governor's request: "MH Rec Tot" in the second column indicates that a transaction recommended by the Authority was not forwarded to the legislature by the Governor. Highlights of requests that were not forwarded include the following:

- \$3 million GF/MH for Maintenance of the Alaska Initiative for Community Engagement (DCCED/Community and Regional Affairs)
- \$1.5 million for the Child Abuse Prevention and Treatment Act Integration (HSS/ Behavioral Health). *The Governor approved \$1.5 million of the \$3 million requested by the MH Trust.*

- \$650,000 GF/MH for the Complex Behavior Collaborative (HSS/Behavioral Health)
- \$500,000 GF/MH for the Governor's Council- Employment for Alaskans with Intellectual/Developmental Disabilities (HSS/Senior and Disabilities Services)

The legislature treated the Governor's request as a starting point for budget deliberations. Authority recommendations excluded from the Governor's request were not deliberated. A second *Transaction Comparison* report shows differences between the Governor's request and the appropriations incorporated in the Mental Health bill.

The legislature added funding for the following projects to the Governor's request:

1. Complex behavior collaborative project: \$450,000 GF/MH. *The Authority requested \$650,000 of GF/MH that the Governor did not forward to the legislature.*
2. Project to increase employment of people with disabilities to make them less dependent on government funded programs: \$150,000 MHTAAR.
3. Center on Alcohol and Addiction Studies at the University of Alaska Anchorage: \$30,000 MHTAAR. *The MH Trust requested \$30,000 MHTAAR that was not forwarded by the Governor.*

The legislature denied (or revised) funding requested by the Governor for the following projects:

1. Rural Transition Services: \$100,000 GF/MH.
2. Bridge Home Program Expansion: \$200,000 GF/MH
3. Brain Injury-Traumatic/Acquired Brain Injury Program: \$150,000 GF/MH. *The legislature approved half of the \$300,000 request for this purpose.*
4. Dis Justice – Expand Wellness (DUI) Court Capacities to Kenai and Palmer: \$476,000 GF/MH

### **Capital Appropriations**

The Authority recommended a \$16.1 million capital budget. The Governor's request totaled \$14.05 million (a reduction of \$2.05

million). The enclosed *Project Detail* report shows how the Governor modified the Authority's recommendations. The legislature approved the Governor's request as submitted.

We appreciate the good working relationship between the Authority and the legislature.

If you have questions regarding the enclosed reports, please contact Amanda Ryder of the Legislative Finance Division at 465-5411.

Sincerely,

/s/

The following letter dated May 21, 2013, was received:

"Dear Speaker Chenault:

On this date, I have signed with line item vetoes the following bill passed by the first session of the Twenty-Eighth Alaska State Legislature and am transmitting the engrossed and enrolled copies to the Lieutenant Governor's Office for permanent filing:

## CONFERENCE CS FOR HOUSE BILL NO. 65

"An Act making appropriations for the operating and loan program expenses of state government and for certain programs, capitalizing funds, and making reappropriations; and providing for an effective date."

Chapter No. 14, SLA 2013  
[Effective Date: See Chapter]

As passed by the Legislature, CCS HB 65 contains appropriations for Fiscal Year 2013 and Fiscal Year 2014, totaling \$10.7 billion, including \$4.76 billion in unrestricted general funds. The budget includes special appropriations for tax credits, revenue sharing, and direct deposits to the retirement system costs, and includes funding for public education, the university, public health and safety, transportation, resource management, and funding for State government programs, services, and grants.

I am committed to a responsible budget that provides essential public services, makes strategic investments to grow our economy, and limits draws on budget reserves. Through line item veto, I have reduced the State operating budget as follows:

**Adjustment for Non-Covered Geographic Differential Calculation**

The Legislature passed Senate Bill 95, relating to compensation and geographic pay differentials for public officials not covered by collective bargaining agreements. In reviewing the fiscal note prepared for the bill, an error was discovered that overstated the implementation costs for the geographic pay differential in certain locations. I have reduced appropriations in five departments and nine budget components by a total of \$1.8 million, of which \$1.42 million is unrestricted general fund.

Working together, we were able to set a general fund spending target, focus on key priorities, significantly reduce spending from the current year, and establish a lower band of State spending over the next five years.

Thank you for your leadership.

Sincerely,  
/s/  
Sean Parnell  
Governor"

As passed by the Legislature, CCS HB 66 totals \$255.3 million, including \$218.7 million in unrestricted general funds. I am committed to a responsible budget that provides essential public services, makes strategic investments to grow our economy, and limits draws on budget reserves.

The following letter dated May 21, 2013, was received:

"Dear Speaker Chenault:

On this date, I have signed with line item vetoes the following bill passed by the first session of the Twenty-Eighth Alaska State Legislature and am transmitting the engrossed and enrolled copies to the Lieutenant Governor's Office for permanent filing:

## HOUSE CS FOR CS FOR SENATE BILL NO. 18(FIN) am H

"An Act making, amending, and repealing appropriations, including capital appropriations, supplemental appropriations, reappropriations, and other appropriations; making appropriations to capitalize funds; and providing for an effective date."

Chapter No. 16, SLA 2013  
[Effective Date: See Chapter]

As passed by the Legislature, HCS CSSB 18(FIN) am H contains capital, supplemental, and operating appropriations for Fiscal Year 2013 and Fiscal Year 2014, totaling \$2.27 billion, including \$1 billion

in unrestricted general funds. The capital budget will fund many important energy, transportation, and infrastructure projects across the state.

I am committed to a responsible budget that provides essential public services, makes strategic investments to grow our economy, and limits draws on budget reserves. Through line item veto, I have made changes in SB 18 for the following reasons:

Department of Transportation and Public Facilities, Section 15(a), Page 120, Line 27, is reduced from \$750,000 to \$50,000 for litigation costs associated with the Ruth Burnett Sport Fish Hatchery. A settlement of this case is in progress; therefore, the full amount requested is no longer needed.

Section 32(c), Page 130, Lines 27 through 31, proposes to reappropriate \$1.7 million from the Department of Transportation and Public Facilities (DOTPF), Corps of Engineers, harbor program, made in Section 1, Chapter 82, SLA 2006, to the Kotzebue Swan Lake harbor moorage project. These funds should remain with DOTPF under Section 32(d) for maintenance facilities and operations. Funding for the Kotzebue Swan Lake project may be considered in a future budget.

Section 41(i), Page 146, Line 30 through Page 147, Line 3, proposes to reappropriate \$4.5 million from the Hoonah berthing facility appropriation, made in Section 7, Chapter 5, FSSLA 2011, to the aquatic center at Mt. Edgecumbe High School in Sitka. These funds should remain with the original community for the intended purpose rather than be redirected to another community and project.

Section 41(j), Page 147, Lines 4 through 8, proposes to reappropriate \$500,000 from the Hoonah berthing facility appropriation, made in Section 7, Chapter 5, FSSLA 2011, to the heating plant at Mt. Edgecumbe High School in Sitka. These funds should remain with the original community for the intended purpose rather than be redirected to another community and project.

Working together, we were able to set a general fund spending target, focus on key priorities, significantly reduce spending from the current

year, and establish a lower band of State spending over the next five years.

Thank you for your leadership.

Sincerely,

/s/

Sean Parnell  
Governor"
