ALASKA STATE LEGISLATURE
TWENTY-EIGHTH LEGISLATURE
FIRST SESSION

Juneau, Alaska

Wednesday

March 27, 2013

Seventy-second Day

Pursuant to adjournment the Senate was called to order by President Huggins at 11:05 a.m.

The roll showed twenty members present.

The prayer was offered by the Chaplain, The Most Reverend Edward J. Burns, Bishop of the Catholic Diocese of Juneau. Senator Hoffman moved and asked unanimous consent that the prayer be spread. Without objection, it was so ordered.

Good and gracious God, we come before you in this sacred week confident in your love for us. We ask that you bless the legislators of the great state of Alaska. In their work, may they reflect your justice. In their decisions, may they reflect your wisdom. In their actions, may they reflect your love. And for all of us, may we reflect your mercy and compassion for one another, for you have created us in your image.

Heavenly Father, we pray and support our legislators as they represent us in bringing forth the laws of this land. May they always strive for the common good. Let their work contribute to the good of all people in the state of Alaska. Guide them, shelter their families and loved ones with your loving care, and may they know your peace and presence in their lives.

I offer this prayer in your name and to your glory forever and ever. Amen.

Senator Olson led the Senate in the Pledge of Allegiance.

SB 86

SENATE BILL NO. 86 BY THE SENATE RULES COMMITTEE
BY REQUEST OF THE GOVERNOR, entitled:

"An Act approving and ratifying the sale of royalty oil by the State of Alaska to Flint Hills Resources Alaska, LLC; and providing for an effective date."

was read the first time and referred to the Finance Committee.

The following fiscal information was published today:

Fiscal Note No. 1, indeterminate, Department of Natural Resources

Governor's transmittal letter dated March 26:

Dear President Huggins,

Under the authority of Article III, Section 18, of the Alaska Constitution, I am transmitting a bill approving and ratifying the sale of royalty oil by the State of Alaska to Flint Hills Resources Alaska, LLC.

The bill would approve and ratify the contractual agreement for the sale and purchase of State royalty oil between the State of Alaska and Flint Hills Resources Alaska, LLC, attached as Exhibit 1 to the "Final Best Interest Finding and Determination for the Sale of Alaska North Slope Royalty Oil to Flint Hills Resources Alaska, LLC" dated March

25, 2013. The contract that is the subject of this bill provides that the State will sell Flint Hills Resources Alaska, LLC an amount of the State's royalty oil that is between 18,000 to 30,000 barrels per day, subject to certain limitations and volume reduction provisions. The royalty oil will be sold at a price calculated to equal or exceed the value the State would obtain for the royalty oil if it was taken in-value and sold by the producers rather than taken in-kind and sold by the State to Flint Hills Resources Alaska. The term of the contract is five years, with royalty oil deliveries commencing on April 1, 2014, and terminating on March 31, 2019, with provisions to extend the contract subject to legislative approval.

The proposed sale was reviewed by the Alaska Royalty Oil and Gas Development Advisory Board through a public hearing process held February 26, 2013. In accordance with AS 38.06.050, the board issued a written recommendation for legislative approval of the sale.

I urge your prompt and favorable action on this measure. A copy of the contract will be provided by the Department of Natural Resources for your review.

Sincerely,
/s/
Sean Parnell
