Father of night, Father of day
Father, who taketh the darkness away
Father, who teacheth the bird to fly
Builder of rainbows up in the sky
Father of loneliness and pain
Father of love and Father of rain

Father of day, Father of night
Father of black, Father of white
Father, who build the mountain so high
Who shapeth the cloud up in the sky
Father of time, Father of dreams
Father, who turneth the rivers and streams

Father of grain, Father of wheat
Father of cold and Father of heat
Father of air and Father of trees
Who dwells in our hearts and our memories
Father of minutes, Father of days
Father of whom we most solemnly praise

Introduction and Reference of Senate Bills**SB 220**

SENATE BILL NO. 220 BY THE SENATE RULES COMMITTEE BY REQUEST OF THE GOVERNOR, entitled:

"An Act relating to additional state contributions to the teachers' defined benefit retirement plan and the public employees' defined benefit retirement plan; and providing for an effective date."

was read the first time and referred to the Finance Committee.

The following fiscal information was published today:

Fiscal Note No. 1, Office of the Governor

Fiscal Note No. 2, Office of the Governor

Governor's transmittal letter dated April 10:

Dear President Huggins,

Under the authority of Article III, Section 18 of the Alaska Constitution, I am transmitting a bill that will implement a fixed annual contribution to pay down the past service liability of the Public Employees' Retirement System and Teachers' Retirement System. Enactment of this legislation is contingent upon approval of a \$3 billion transfer from the Constitutional Budget Reserve fund into the Retirement System Trust Funds.

The annual pension contributions represent the single largest cost driver in the State's operating budget. Current projections estimate that the Public Employees' Retirement System (PERS) and Teachers' Retirement System (TRS) have a combined unfunded liability of \$11.9 billion. A \$3 billion deposit into the retirement trust funds in the FY 2015 budget will enable the annual State pension contribution to drop to \$500 million a year and will increase the funded status of the PERS and TRS systems by 10 percent almost immediately. This deposit will also reflect positively on local government balance sheets.

I urge your prompt and favorable action on this measure.

Sincerely,

/s/

Sean Parnell

Governor
