**Juneau, Alaska**

**Saturday**

**April 12, 2014**

**Eighty-second Day**

Pursuant to adjournment the Senate was called to order by President Huggins at 1:08 p.m.

The roll showed twenty members present.

The prayer was offered by the Chaplain, Senator Kelly. Senator Hoffman moved and asked unanimous consent that the prayer be spread. Without objection, it was so ordered.

Blessed is the nation whose God is the Lord.  
(Psalm 33:12)

And so Father we come to you and proclaim you are God and there is no other. You are the everlasting God. You do not grow weak or tired and no one can plumb the depths of your understanding. You created the universe with a simple act of your will and we exalt you and we join with the seraphim as they cry out to you day and night: holy, holy, holy.

To whom shall we compare you God? You are the creator, you are the protector, you are the shield, and you are the sustainer for those who are called by your name. Father, we are your people and we stand before you in awe and we turn to you in these troubled times and seek your protection and favor. And because you are a loving father you beckon us to come: to seek protection in the safety of your household.

Father as we stand in your presence we seek your mercy. We cannot stand in the fearful reality of your justice because we are guilty. The name of the Lord is a strong tower; the righteous run to it and are saved.

Father, our righteousness is but filthy rags, however, we are righteous, because of the work done at the cross by your son. So we run to you, we enter into your throne room with the boldness of children running into their family home.

And as we approach you we pray a prayer of protection. Because we live in the secure places of the most high God, we find constant protection in the presence of God almighty. This we declare about the Lord. You alone are our safety and our place of protection. You are our God and we trust you.

You protect us from every snare and trap and you cover us like mother hen covers her babies under the protection of her wings. Your faithful promises are our armor and protection.

We will not live in fear. Though thousands may fall around us, evil will not overtake us. We will look on as spectators as those who do not trust in our God are left unprotected and perish.

Because we have made you our most high God you will answer us when we call. You will send your angels to protect us so we won't be hurt in any way. You give us salvation and long life and when our days have come to an end, we will not fear death because we will live in the household of God. Forever.

Amen.

Senator Bishop led the Senate in the Pledge of Allegiance.

Page 6, following line 2:

Insert a new bill section to read:

"\* **Sec. 7.** AS 19.75 is amended by adding a new section to article 3 to read:

**Sec. 19.75.900. Use of materials manufactured in the United States.** (a) Notwithstanding any other provision of law, the authority shall include in a construction contract for the Knik Arm bridge entered into by the authority a provision under which the contractor agrees that steel, iron, and manufactured products with a total value greater than \$5,000 used or supplied by the contractor and any subcontractors in the performance of the contract, including any subcontract, will be made in the United States.

(b) A product shall be considered to be made in the United States under this section if

(1) the components of the product are made primarily of iron or steel, and all manufacturing of the product takes place in the United States, except metallurgical processes involving the refinement of steel; or

(2) the product is not made primarily of iron or steel, and all of

(A) the manufacturing processes of the product take place in the United States; and

(B) the components of the product are made in the United States, even if the subcomponents originate in another country.

(c) Except as provided by (f) of this section, the authority may, on request of a contractor, request the commissioner of transportation and public facilities to waive the requirement in (a) of this section for a construction contract. The commissioner may grant the request if the commissioner determines that

(1) the requirement is not consistent with the public interest;

(2) the materials are not made in the United States in a sufficient quantity that is reasonably available and of a satisfactory quality; or

(3) inclusion of materials made in the United States will increase the cost of the contract by more than 25 percent.

(d) Before the commissioner of transportation and public facilities grants a waiver under (c) of this section, the commissioner shall

(1) place on the Alaska Online Public Notice System (AS 44.62.175) a notice that gives a detailed written justification why the waiver satisfies the requirements of (c) of this section and that allows persons to provide comments to the authority for a reasonable period of time; and

(2) consider all comments received under (1) of this subsection.

(e) A person is not eligible to receive a construction contract under (a) of this section or to receive a subcontract from the contractor if a court, state agency, or a federal agency, after notice and an opportunity to be heard, determines the person intentionally

(1) placed a label stating "made in America," or other wording with the same meaning, on a product used in a construction contract to which this section applies, and the product was not made in the United States; or

(2) falsely represented to the authority that a product used in the construction contract for the Knik Arm bridge was made in the United States.

(f) The authority may not waive the requirements of (a) of this section for a construction contract if the commissioner of transportation and public facilities, after consulting with the United States Trade Representative, determines that the product is made in a foreign country and that the foreign country

(1) is a party to an agreement with the United States, and, under that agreement, the head of a federal agency of the United States has waived the requirements of this section; and

(2) has violated the terms of the agreement identified in (1) of this subsection by discriminating against construction products that are made in the United States and that are covered by the agreement.

(g) In this section,

(1) "construction" means the process of building, altering, repairing, maintaining, improving, demolishing, planning, or designing the Knik Arm bridge and its appurtenant facilities;

(2) "contractor" means a person who enters into a construction contract with the authority;

(3) "intentionally" has the meaning given in AS 11.81.900;

(4) "United States" means the United States of America, the District of Columbia, the Commonwealth of Puerto Rico, and the territorial possessions of the United States of America."

Renumber the following bill sections accordingly.
