6 **"* Section 1.** AS 26.30.020(c) is amended to read: \

7 (c) The adjutant general shall consider the following factors before
8 designating an area as a military facility zone:

9 (1) whether the proposed military facility zone designation is
10 consistent with the comprehensive plan of the municipality or local zoning
11 ordinances;

12 (2) whether it is feasible to develop sites within the proposed zone for
13 purposes of industrial or economic development, residential use, and workforce
14 training or education beneficial to the facility;

15 (3) whether the municipality has targeted the area for revitalization in a
16 plan or ordinance;

17 (4) the relationship between the area and a military facility subject to
18 realignment or closure under 10 U.S.C. 2687, as amended, or a successor statute or the
19 effect of the realignment or closure on the area;

20 (5) the availability, cost, and condition of existing business and
21 educational facilities to support the military facility or facility of a civilian agency;

22 (6) the difference between the median annual income of residents of
23 the area and the median annual income of residents of the state and region, and the

- 1 number of residents who receive public assistance;
- 2 (7) the number of residents of the area who receive unemployment,
- 3 and the ability of the municipality to improve social and economic conditions of the
- 4 area;
- 5 (8) the need for financing for small businesses that would improve
- 6 social and economic conditions in the area;
- 7 (9) any plans or financial commitments of municipalities to improve
- 8 the area;
- 9 (10) any plans or financial commitments of private entities to improve
- 10 the area;
- 11 (11) the municipality's participation in economic development
- 12 activities, including proposals for public or private development;
- 13 (12) support from community or business organizations in the area;
- 14 (13) the availability of workforce readiness programs, including
- 15 workforce recruiting and training support or educational research and curriculum
- 16 support in the area;
- 17 (14) the availability or plans for the creation of workforce housing
- 18 options for residents of the area; and
- 19 (15) the fiscal effect on the state if the area were to be designated a
- 20 military facility zone."
