19 **Sec. 13.26.326. Agent's acceptance and liability.** (a) Except as otherwise  
 20 provided in the power of attorney, a person accepts appointment as an agent under a  
 21 power of attorney by exercising authority or performing duties as an agent or by any  
 22 other assertion or conduct indicating acceptance.

23 (b) An agent that violates a provision in AS 13.26.326 - 13.26.359 is liable to  
 24 the principal or the principal's successors in interest for the amount required to

25 (1) restore the value of the principal's property to what it would have  
 26 been had the violation not occurred; and

27 (2) reimburse the principal or the principal's successors in interest for  
 28 the attorney fees and costs paid on the agent's behalf.

29 **Sec. 13.26.327. Agent's duties.** (a) Notwithstanding provisions in the power of  
 30 attorney, an agent that has accepted appointment shall

31 (1) act in accordance with the principal's reasonable expectations to the

1 extent actually known by the agent and, otherwise, in the principal's best interest;

2 (2) act in good faith; and

3 (3) act only within the scope of authority granted in the power of  
4 attorney.

5 (b) Except as otherwise provided in the power of attorney, an agent that has  
6 accepted appointment shall

7 (1) act loyally for the principal's benefit;

8 (2) act so as not to create a conflict of interest that impairs the agent's  
9 ability to act impartially in the principal's best interest;

10 (3) act with the care, competence, and diligence ordinarily exercised by  
11 agents in similar circumstances;

12 (4) keep a record of all receipts, disbursements, and transactions made  
13 on behalf of the principal;

14 (5) cooperate with a person that has authority to make health care  
15 decisions for the principal to carry out the principal's reasonable expectations to the  
16 extent actually known by the agent and, otherwise, act in the principal's best interest;  
17 and

18 (6) attempt to preserve the principal's estate plan, to the extent actually  
19 known by the agent, if preserving the plan is consistent with the principal's best  
20 interest based on all relevant factors, including

21 (A) the value and nature of the principal's property;

22 (B) the principal's foreseeable obligations and need for  
23 maintenance;

24 (C) minimization of taxes, including income, estate, inheritance,  
25 generation-skipping transfer, and gift taxes; and

26 (D) eligibility for a benefit, a program, or assistance under a  
27 statute or regulation.

28 (c) An agent that acts in good faith is not liable to any beneficiary of the  
29 principal's estate plan for failure to preserve the plan.

30 (d) An agent that acts with care, competence, and diligence for the best interest  
31 of the principal is not liable solely because the agent also benefits from the act or has

1 an individual or conflicting interest in relation to the property or affairs of the  
2 principal.

3 (e) If an agent is selected by the principal because of special skills or expertise  
4 possessed by the agent or in reliance on the agent's representation that the agent has  
5 special skills or expertise, the special skills or expertise must be considered in  
6 determining whether the agent has acted with care, competence, and diligence under  
7 the circumstances.

8 (f) Absent a breach of duty to the principal, an agent is not liable if the value of  
9 the principal's property declines.

10 (g) An agent that exercises authority to delegate to another person the authority  
11 granted by the principal or that engages another person on behalf of the principal is not  
12 liable for an act, error of judgment, or default of that person if the agent exercises care,  
13 competence, and diligence in selecting and monitoring the person.

14 (h) Except as otherwise provided in the power of attorney, an agent is not  
15 required to disclose receipts, disbursements, or transactions conducted on behalf of the  
16 principal unless ordered by a court or requested by the principal, a guardian, a  
17 conservator, another fiduciary acting for the principal, a governmental agency having  
18 authority to protect the welfare of the principal, or, upon the death of the principal, the  
19 personal representative or successor in interest of the principal's estate. If so requested,  
20 within 30 days the agent shall comply with the request or provide a writing or other  
21 record substantiating why additional time is needed and shall comply with the request  
22 within an additional 30 days.

23 **Sec. 13.26.328. Acceptance of power of attorney.** (a) A third party asked to  
24 accept a power of attorney may request, and rely upon, without further investigation

25 (1) an agent's certification under penalty of perjury of any factual  
26 matter concerning the principal, agent, or power of attorney;

27 (2) an English translation of the power of attorney if the power of  
28 attorney contains, in whole or in part, language other than English; and

29 (3) an opinion of counsel as to any matter of law concerning the power  
30 of attorney if the person making the request provides in a writing or other record the  
31 reason for the request.

1 (b) An English translation or an opinion of counsel requested under this section  
2 must be provided at the principal's expense unless the request is made more than seven  
3 business days after the power of attorney is presented for acceptance.

4 (c) For purposes of this section, a person that conducts activities through  
5 employees is without actual knowledge of a fact relating to a principal, agent, or  
6 power of attorney if the employee conducting the transaction involving the power of  
7 attorney is without actual knowledge of the fact.

8 (d) Except as otherwise provided in (e) of this section,

9 (1) a person shall accept an acknowledged power of attorney or request  
10 a certification, a translation, or an opinion of counsel under (a) of this section not later  
11 than seven business days after presentation of the power of attorney for acceptance;

12 (2) if a person requests a certification, a translation, or an opinion of  
13 counsel under (a) of this section, the person shall accept the power of attorney not later  
14 than five business days after receipt of the certification, translation, or opinion of  
15 counsel; and

16 (3) a person may not require an additional or different form of power of  
17 attorney for authority granted in the power of attorney presented.

18 (e) Notwithstanding AS 13.26.357, a person is not required to accept an  
19 acknowledged power of attorney if

20 (1) the person is not otherwise required to engage in a transaction with  
21 the principal in the same circumstances;

22 (2) engaging in a transaction with the agent or principal in the same  
23 circumstances would be inconsistent with federal law;

24 (3) the person has actual knowledge of the termination of the agent's  
25 authority or of the power of attorney before exercise of the power;

26 (4) a request for a certification, a translation, or an opinion of counsel  
27 under (a) of this section is refused;

28 (5) the person in good faith believes that the power is not valid or that  
29 the agent does not have the authority to perform the act requested, whether or not a  
30 certification, a translation, or an opinion of counsel under (a) of this section has been  
31 requested or provided; or

1 (6) the person makes, or has actual knowledge that another person has  
 2 made, a report to Department of Health and Social Services or other governmental  
 3 agency, stating a good faith belief that the principal may be subject to physical or  
 4 financial abuse, neglect, exploitation, or abandonment by the agent or a person acting  
 5 for or with the agent.

6 (f) A person that refuses in violation of this section to accept an acknowledged  
 7 power of attorney is subject to

8 (1) a court order mandating acceptance of the power of attorney; and

9 (2) liability as provided by court rules of this state for attorney fees and  
 10 costs incurred in any action or proceeding that confirms the validity of the power of  
 11 attorney or mandates acceptance of the power of attorney.

12 **Sec. 13.26.329. Termination of power of attorney; agent's resignation;**  
 13 **notice.** (a) Except as provided in AS 13.26.356, a power of attorney terminates when

14 (1) the principal dies;

15 (2) there is an incapacity of the principal, if the power of attorney is not  
 16 durable;

17 (3) the principal revokes the power of attorney;

18 (4) the power of attorney provides that it terminates;

19 (5) the purpose of the power of attorney is accomplished; or

20 (6) the principal revokes the agent's authority, there is an incapacity of  
 21 the agent, the agent dies, or the agent resigns, and the power of attorney does not  
 22 provide for another agent to act under the power of attorney.

23 (b) Unless the power of attorney provides a different method for an agent's  
 24 resignation, an agent may resign by giving notice to the principal and, if there is an  
 25 incapacity of the principal,

26 (1) to the conservator or guardian, if one has been appointed for the  
 27 principal, and a coagent or successor agent; or

28 (2) if there is no person described in (1) of this subsection, to

29 (A) the principal's custodian or caregiver;

30 (B) another person reasonably believed by the agent to have  
 31 sufficient interest in the principal's welfare; or

1 (C) a governmental agency having statutory authority to protect  
2 the welfare of the principal.

23 \* **Sec. 18.** AS 13.26.344 is amended by adding a new subsection to read:

24 (q) In a statutory form power of attorney, unless the power of attorney  
25 otherwise provides, the language conferring specific authority with respect to gift  
26 transactions shall be construed to mean that the principal authorizes the agent only

27 (1) to make a gift of the principal's property only as the agent  
28 determines is consistent with the principal's objectives if actually known by the agent  
29 and, if unknown, as the agent determines is consistent with the principal's best interest  
30 based on all relevant factors, including

31 (A) the value and nature of the principal's property;

1 (B) the principal's foreseeable obligations and need for  
2 maintenance;

3 (C) minimization of taxes, including income, estate, inheritance,  
4 generation-skipping transfer, and gift taxes;

5 (D) eligibility for a benefit, a program, or assistance under a  
6 statute or regulation; and

7 (E) the principal's personal history of making or joining in  
8 making gifts;

9 (2) subject to (1) of this subsection, to make outright to, or for the  
10 benefit of, a person, a gift of any of the principal's property, including by the exercise  
11 of a presently exercisable general power of appointment held by the principal, in an  
12 amount for each donee not to exceed the annual dollar limits of the federal gift tax  
13 exclusion under 26 U.S.C. 2503(b) (Internal Revenue Code), as amended, without  
14 regard to whether the federal gift tax exclusion applies to the gift, or if the principal's  
15 spouse agrees to consent to a split gift under 26 U.S.C. 2513 (Internal Revenue Code),  
16 as amended, in an amount for each donee not to exceed twice the annual federal gift  
17 tax exclusion limit; in this paragraph, "presently exercisable general power of  
18 appointment," with respect to property or a property interest subject to a power of  
19 appointment, means power exercisable at the time in question to vest absolute  
20 ownership in the principal individually, the principal's estate, the principal's creditors,  
21 or the creditors of the principal's estate; the term includes a power of appointment not  
22 exercisable until the occurrence of a specified event, the satisfaction of an  
23 ascertainable standard, or the passage of a specified period only after the occurrence of  
24 the specified event, the satisfaction of the ascertainable standard, or the passage of the  
25 specified period; the term does not include a power exercisable in a fiduciary capacity  
26 or only by will; and

27 (3) subject to (1) of this subsection, to consent, under 26 U.S.C. 2513  
28 (Internal Revenue Code), as amended, to the splitting of a gift made by the principal's  
29 spouse in an amount for each donee not to exceed the aggregate annual gift tax  
30 exclusions for both spouses.

31 \* **Sec. 19.** AS 13.26.347 is amended to read:

1           **Sec. 13.26.347. Validity of modified statutory form power of attorney.** A  
 2 power of attorney that satisfies the requirements of AS 13.26.332 - 13.26.344 is not  
 3 prevented from being a statutory form power of attorney by the fact that it also  
 4 contains additional language that

5           (1) eliminates from the power of attorney one or more of the powers  
 6 enumerated in one or more of the subsections of AS 13.26.344 with respect to a  
 7 section of the statutory form power of attorney that is not eliminated by the principal;

8           (2) supplements one or more of the powers enumerated in one or more  
 9 of the subsections of AS 13.26.344 with respect to a section of the statutory form  
 10 power of attorney that is not eliminated by the principal by specifically listing  
 11 additional powers of the agent; [OR]

12           (3) makes an additional provision that is not substantially inconsistent  
 13 with the other provisions of the statutory form power of attorney; or

14           (4) relieves an agent of liability for breach of a duty under  
 15 AS 13.26.327, except to the extent the provision

16                   (A) relieves the agent of liability for breach of duty  
 17 committed dishonestly, with an improper motive, or with reckless  
 18 indifference to the purposes of the power of attorney or the best interest of  
 19 the principal; or

20                   (B) was inserted as a result of an abuse of a confidential or  
 21 fiduciary relationship with the principal.

22 \* **Sec. 20.** AS 13.26.350 is amended to read:

23           **Sec. 13.26.350. When statutory form power of attorney is not affected by**  
 24 **incapacity [DISABILITY OR INCOMPETENCE] of principal.** (a) The  
 25 subsequent **incapacity [DISABILITY OR INCOMPETENCE]** of a principal does not  
 26 revoke or terminate the authority of an **agent [ATTORNEY-IN-FACT]** who acts  
 27 under a power of attorney in a writing executed by a principal if the writing contains  
 28 the words "This power of attorney shall become effective upon the **incapacity**  
 29 **[DISABILITY]** of the principal," or contains the words "This power of attorney shall  
 30 not be affected by the subsequent **incapacity [DISABILITY]** of the principal," or  
 31 words substantially similar showing the intent of the principal that the authority

1 conferred shall be exercisable notwithstanding the principal's subsequent **incapacity**  
 2 [DISABILITY, INCOMPETENCE,] or uncertainty as to whether the principal is dead  
 3 or alive.

4 (b) An act done by an **agent** [ATTORNEY-IN-FACT] under a power granted  
 5 in a power of attorney under AS 13.26.332 - 13.26.344 during a period of **incapacity**  
 6 [DISABILITY, INCOMPETENCE,] or uncertainty as to whether the principal is dead  
 7 or alive has the same effect and enures to the benefit of and binds a principal and the  
 8 principal's distributees, devisees, legatees, and personal representatives as if **there**  
 9 **were no incapacity of** the principal [WERE COMPETENT AND NOT DISABLED].  
 10 If a conservator is later appointed for the principal, during the continuance of the  
 11 appointment, **the agent is accountable to the conservator as well as to the principal**  
 12 [THE ATTORNEY-IN-FACT SHALL ACCOUNT TO THE CONSERVATOR  
 13 RATHER THAN TO THE PRINCIPAL]. The conservator has the same power **to**  
 14 **revoke, suspend, or terminate the power of attorney that** the principal would have  
 15 if **there was no incapacity of** the principal [WERE NOT DISABLED OR  
 16 INCOMPETENT TO REVOKE, SUSPEND, OR TERMINATE THE POWER OF  
 17 ATTORNEY].

18 \* **Sec. 21.** AS 13.26.353(a) is repealed and reenacted to read:

19 (a) For purposes of AS 13.26.332 - 13.26.344,

20 (1) the incapacity of a principal shall be established by affidavit stating  
 21 that the principal is unable to manage property or business affairs because the  
 22 principal

23 (A) has an impairment in the ability to receive and evaluate  
 24 information or make or communicate decisions even with the use of  
 25 technological assistance, and this impairment is the result of mental illness,  
 26 mental deficiency, physical illness, physical disability, advanced age, use of  
 27 drugs, chronic intoxication, or other similar medical or psychological reason,  
 28 to such an extent that the principal is unable to manage the principal's property  
 29 or affairs; or

30 (B) is

31 (i) missing;

1 (ii) detained, including incarcerated in a penal system; or

2 (iii) outside the United States and unable to return; and

3 (2) if the incapacity is based on (1)(A) of this subsection, two  
4 physicians or similarly qualified medical professionals who have personally examined  
5 the principal shall sign the affidavit; however, the affidavit may be signed by only one  
6 physician or similarly qualified medical professional if only one physician or similarly  
7 qualified medical professional is available and the affidavit executed by the person  
8 states that only one physician or similarly qualified medical professional is available.

9 \* **Sec. 22.** AS 13.26.353(b) is amended to read:

10 (b) A third party who relies on the reasonable representations of an **agent**  
11 [ATTORNEY-IN-FACT] designated under **AS 13.26.332 - 13.26.347** [AS 13.26.332 -  
12 13.26.344] as to a matter relating to a power granted by a properly executed statutory  
13 form power of attorney does not incur a liability to the principal or the principal's  
14 heirs, assigns, or estate as a result of permitting the **agent** [ATTORNEY-IN-FACT] to  
15 exercise the authority granted by the power of attorney.

16 \* **Sec. 23.** AS 13.26 is amended by adding new sections to read:

17 **Sec. 13.26.354. Judicial relief.** (a) The following persons may petition a court  
18 in accordance with the provisions of AS 13.26.165 - 13.26.324 to construe a power of  
19 attorney, review the agent's conduct, and grant appropriate relief:

20 (1) the principal or the agent;

21 (2) the principal's attorney or other legal representative;

22 (3) a guardian, conservator, or other fiduciary acting for the principal;

23 (4) a person authorized to make health care decisions for the principal;

24 (5) the principal's spouse, parent, or descendant;

25 (6) an individual who would qualify as a presumptive heir of the  
26 principal;

27 (7) a person named as a beneficiary to receive any property, benefit, or  
28 contractual right on the principal's death or as a beneficiary of a trust created by or for  
29 the principal that has a financial interest in the principal's estate;

30 (8) the Department of Health and Social Services, the Department of  
31 Administration, the office of the long-term care ombudsman, or other governmental

1 agency having statutory authority to protect the welfare of the principal;

2 (9) the principal's caregiver, custodian, or another person that  
3 demonstrates sufficient interest in the principal's welfare; and

4 (10) a person asked to accept the power of attorney.

5 (b) Upon motion by the principal, the court shall dismiss a petition filed under  
6 this section, unless the court finds that the principal lacks capacity to revoke the  
7 agent's authority or the power of attorney.

8 **Sec. 13.26.355. Relationship to other laws.** (a) Except as provided in (c) of  
9 this section, AS 13.26.326 - 13.26.359 do not supersede any other law applicable to a  
10 financial institution or other entity, and the other law controls if inconsistent with  
11 AS 13.26.326 - 13.26.359.

12 (b) The remedies in AS 13.26.326 - 13.26.359 are not exclusive and do not  
13 abrogate any right or remedy under the law of this state.

14 (c) AS 13.26.326 - 13.26.359 modify, limit, or supersede 15 U.S.C. 7001 -  
15 7031 (Electronic Signatures in Global and National Commerce Act), but do not  
16 modify, limit, or supersede 15 U.S.C. 7001(c), or authorize electronic delivery of any  
17 of the notices described in 15 U.S.C. 7003(b).

18 \* **Sec. 24.** AS 13.26.356 is amended to read:

19 **Sec. 13.26.356. Powers of attorney not revoked until notice of death or**  
20 **incapacity [DISABILITY].** (a) The death [, DISABILITY] or **incapacity**  
21 [INCOMPETENCE] of a principal who has executed a power of attorney in writing  
22 does not revoke or terminate the agency as to the [ATTORNEY-IN-FACT,] agent [,]  
23 or other person who, without actual knowledge of the death [, DISABILITY,] or  
24 **incapacity** [INCOMPETENCE] of the principal, acts in good faith under the power of  
25 attorney [OR AGENCY]. Action so taken, unless otherwise invalid or unenforceable,  
26 binds the principal and the heirs, devisees, and personal representatives of the  
27 principal.

28 (b) An affidavit executed by the [ATTORNEY-IN-FACT OR] agent stating  
29 that the [ATTORNEY-IN-FACT OR] agent did not have, at the time of doing an act  
30 under the power of attorney, actual knowledge of the revocation or termination of the  
31 power of attorney by death [, DISABILITY] or **incapacity** [INCOMPETENCE], is, in

1 the absence of fraud, conclusive proof of the nonrevocation or nontermination of the  
 2 power **of attorney** at that time. If the exercise of the power **of attorney** requires  
 3 execution and delivery of an instrument that is recordable, the affidavit when  
 4 authenticated for record is likewise recordable.

5 (c) A special power of attorney created before September 4, 1988, shall be  
 6 construed to grant the **agent** [ATTORNEY-IN-FACT] the powers set out in that  
 7 special power of attorney.

8 \* **Sec. 25.** AS 13.26 is amended by adding a new section to read:

9 **Sec. 13.26.357. Execution of power of attorney.** (a) A power of attorney  
 10 executed in this state is valid if the principal

11 (1) signs the power of attorney or, in the principal's conscious presence,  
 12 directs another individual to sign the principal's name on the power of attorney; and

13 (2) acknowledges the signature before a notary public or other  
 14 individual authorized by law to take acknowledgments.

15 (b) Notwithstanding AS 44.50.062(5)(A), a notary public may consider that  
 16 the principal has signed a power of attorney if the principal, in the presence of the  
 17 notary public, directs another individual to sign under (a)(1) of this section.

18 \* **Sec. 26.** AS 13.26.358(a) is amended to read:

19 (a) A public home care provider may not accept a designation as

27 **Sec. 13.28.010. Validity of substitute decision-making document.** (a) Except  
28 as provided in AS 13.26.331, a substitute decision-making document for property  
29 executed outside this state is valid in this state if, when the document was executed,  
30 the execution complied with the law of the jurisdiction indicated in the document or, if  
31 jurisdiction is not indicated, the law of the jurisdiction in which the document was

1 executed.

2 (b) Except as provided in AS 13.52.010 and 13.52.247, a substitute decision-  
3 making document for health care or personal care executed outside this state is valid in

7 executed; or

16 of the jurisdiction in which the substitute decision-making document was executed.

17 **Sec. 13.28.030. Reliance on substitute decision-making document.** (a)  
18 Except as otherwise provided in AS 13.26.328, a person that in good faith accepts a  
19 substitute decision-making document without actual knowledge that the document is  
20 void, invalid, or terminated, or that the purported decision maker's authority is void,  
21 invalid, or terminated, may, without inquiry, assume that the document is genuine,  
22 valid, and still in effect and that the decision maker's authority is genuine, valid, and  
23 still in effect.

24 (b) A person that is asked to accept a substitute decision-making document

12 maker's authority or the document;

13 (3) the person's request under AS 13.28.030(b) for the decision maker's

16 that the decision maker does not have the authority to request a particular transaction  
17 or action; or

18 (5) the person makes, or has actual knowledge that another person has
