**A BILL**

**FOR AN ACT ENTITLED**

1 "An Act relating to immunity for prescribing, providing, or administering opioid  
2 overdose drugs."

3 **BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:**

4 \* **Section 1.** AS 09.65 is amended by adding a new section to read:

5 **Sec. 09.65.340. Immunity for prescribing, providing, or administering an**  
6 **opioid overdose drug.** (a) Except as provided in (c) of this section, a person is not  
7 liable for civil damages resulting from an act or omission in prescribing or providing  
8 an opioid overdose drug to a person at risk of experiencing an opioid overdose or to a  
9 family member, friend, caregiver, or other person in a position to administer an opioid  
10 overdose drug to a person at risk of experiencing an opioid overdose if

11 (1) the person

12 (A) prescribing or providing the opioid overdose drug is a  
13 health care provider; or

14 (B) providing the opioid overdose drug is an employee or

1 volunteer of an opioid overdose program; and

2 (2) each person to whom the opioid overdose drug is prescribed or  
3 provided has been educated and trained in the proper emergency use and  
4 administration of the opioid overdose drug by the health care provider or the opioid  
5 overdose program.

6 (b) Except as provided in (c) of this section, a person who administers an  
7 opioid overdose drug to another person who the person reasonably believes is  
8 experiencing an opioid overdose emergency is not liable for civil damages resulting  
9 from an act or omission in the emergency administration of the opioid overdose drug  
10 if the person

11 (1) was prescribed or provided the opioid overdose drug by a health  
12 care provider or an opioid overdose program; and

13 (2) received education and training in the proper emergency use and  
14 administration of the opioid overdose drug by the health care provider or the opioid  
15 overdose program.

16 (c) This section does not preclude liability for civil damages that are the result  
17 of gross negligence or reckless or intentional misconduct.

18 (d) In this section,

19 (1) "health care provider" means a licensed physician, advanced nurse  
20 practitioner, physician assistant, village health aide, or pharmacist operating within the  
21 scope of the health care provider's authority;

22 (2) "opioid" includes the opium and opiate substances and opium and  
23 opiate derivatives listed in AS 11.71.140;

24 (3) "opioid overdose drug" means a drug that reverses in whole or part  
25 the pharmacological effects of an opioid overdose;

26 (4) "opioid overdose program" means a program operated or otherwise  
27 funded by the federal government, the state, or a municipality that provides opioid  
28 overdose drugs to persons at risk of experiencing an opioid overdose or to a family  
29 member, friend, or other person in a position to assist a person at risk of experiencing  
30 an opioid overdose.
