FISCAL NOTE ANALYSIS

STATE OF ALASKA
2016 LEGISLATIVE SESSION**Analysis**

The bill amends AS 08.18.161 by clarifying that the terms and restrictions of the owner builder exemption from contractor licensing also apply to an individual who performs all of the work independently. The bill adds a condition that restricts an owner builder from advertising for sale or selling a building within two years that was constructed under the exemption from contractor licensing requirements in this statute.

There is no fiscal impact to the department anticipated as a result of this legislation.
