FISCAL NOTE ANALYSIS

STATE OF ALASKA
2015 LEGISLATIVE SESSION

Analysis

Section 10 of the bill directs the Department to apply for the 1915(i) option under Medicaid.

Individuals receiving home and community based services through the Community Developmental Disabilities Grant (CDDG) program must meet the eligibility requirements in AS 47.80.900. The CDDG program provides home and community-based services to support individuals' desire to live as independently as they are able.

The department will use the 1915(i) funding option to refinance the Community Developmental Disabilities Grant program using the following assumptions:

953 individuals accessed CDDG services in FY2014 with an average cost per recipient of \$12.2 per individual per year.

Current program and funding (general fund) = \$11,635.8; Average cost per individual = \$12.2

Estimated general fund to be refinanced with Federal Funds = \$11,635.8

State Plan and regulation changes are required to implement the new option and would involve extensive public comment. The Department expects the 1915(i) option to be implemented by FY2018.
