## FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2016 LEGISLATIVE SESSION**Analysis****Analysis/Assumptions:**

This legislation expands the list of public places where smoking is prohibited, and transfers the administration and enforcement authority of this prohibition out of the Department of Environmental Conservation (DEC) and into the Department of Health & Social Services (DHSS). Current enforcement activities are limited to ensuring that facilities are compliant during routine inspections, so there are no cost savings to DEC by transferring enforcement authority to DHSS.

This bill requires that DHSS adopt regulations needed to implement the law, and DHSS may delegate this authority. If DEC was delegated the authority to continue enforcing and administering these sections of AS 18.35, the Department would have to expand education and outreach efforts to new impacted facilities, and develop a comprehensive regulations package. This fiscal note assumes no delegation of this authority to DEC.
