## FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2016 LEGISLATIVE SESSION**Analysis**

This fiscal note is being prepared by the Office of Management and Budget because the bill affects all agencies.

This bill prohibits boards and commissions from adopting new regulations unless the new regulation is part of its initial set of regulations.

The bill also prohibits State agencies from adopting a new regulation unless the agency repeals an existing regulation and the cost of the new regulation is less or equal to the cost of the repealed regulation.

The fiscal impact of this legislation is indeterminate since is not known how many new regulations will need to be adopted and how much effort will need to go into finding regulations to repeal in order to adopt new regulations.
