## FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2016 LEGISLATIVE SESSION**Analysis**

The bill establishes a statewide law prohibiting smoking in all indoor workplaces, businesses and public spaces and puts restrictions on allowable distance of smoking from entrances and outdoor spaces where children and adults gather.

The Department of Environmental Conservation is responsible for enforcement, signage, and education.

The Department of Health and Social Services administers the statewide comprehensive smoking education, tobacco use prevention, and tobacco control program authorized in AS 44.29.020. The department anticipates being able to implement this bill with existing resources. This is a zero fiscal note.
