ASSOCIATED REGULATIONS

Does the bill direct, or will the bill result in, regulation changes adopted by your agency? No
 If yes, by what date are the regulations to be adopted, amended or repealed?

Why this fiscal note differs from previous version:

This version of the proposal includes language on page 4, lines 20-24, which brings the majority of the Department's no-smoking signs into compliance with the intent of this bill. Lines 30 and 31 of page 4 require the Dept of Environmental Conservation to furnish any new signs the Department might need in the future at no cost to the Department.

FISCAL NOTE ANALYSIS

STATE OF ALASKA
 2016 LEGISLATIVE SESSION

Analysis

This legislation would ban smoking in enclosed areas at all 247 State of Alaska rural airports including state-owned airport terminals, fuel facilities, and other enclosed areas in a place of employment (sand storage sheds, equipment storage/maintenance facilities, airport rescue/firefighting facilities). With the passage of this legislation, our current no-smoking signs will have to be replaced as they do not comply with the requirements under the Notice of Prohibition section, on lines 15-21, page 4 of this proposal. The department would provide durable signs at these locations.

Total 6" x 20" signs (\$30/sign, installation & shipping)

Central Region Highways & Aviation	160 signs	\$4.8
