FISCAL NOTE ANALYSIS

STATE OF ALASKA
2015 LEGISLATIVE SESSION**Analysis**

This bill requires a court to consider a victim's loss of income when calculating a restitution judgment. "Loss of income" includes the income that a business may lose due to not having stolen property available for the period of time it takes to replace that property. The bill also requires a court to value property at its market value at the time and place of the crime.

The Department of Law does not anticipate a fiscal impact.
