FISCAL NOTE ANALYSIS

STATE OF ALASKA
2015 LEGISLATIVE SESSION**Analysis**

This legislation amends AS 09.65 by adding a new section to grant immunity from civil damages, except in cases of gross negligence or intentional misconduct, to persons prescribing, providing or administering an opioid overdose drug to a person at risk of experiencing an opioid overdose.

Passage of this new section will allow employees of the Department of Corrections to obtain and administer an opioid overdose drug if the employee has successfully completed a training program approved by the Department of Health and Social Services.

The Department of Corrections does not anticipate a significant fiscal impact with passage of this legislation and the additional training requirements therefore is submitting a zero fiscal note.
