Approved By:	Randall Hoffbeck	Date:	01/16/15
Agency:	Commissioner		

FISCAL NOTE ANALYSIS

STATE OF ALASKA
2015 LEGISLATIVE SESSION

Analysis

This bill removes the nominal return target of at least 7% and directs the commissioner to invest the fund in a manner to meet the objectives of funds. This will allow the commissioner the ability to target a lower nominal rate with less risk associated than the 7% minimum and still meet the financial needs of the program.
