FISCAL NOTE ANALYSIS

STATE OF ALASKA
2016 LEGISLATIVE SESSION

Analysis

Senate Bill 42 directs the Board of Fisheries to place restrictions on all other fisheries before restricting personal use fisheries when the harvest of a stock or species is limited to achieve a management goal. The priority for subsistence use and allocation of fish and game (AS 16.05.258) is exempted from the proposed prioritization laid out in SB 42. It is assumed that any regulations that may need to be promulgated would occur during the Board of Fisheries normal board cycle and therefore would not have a fiscal impact upon any of the department's programs and/or operations.
