## FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2016 LEGISLATIVE SESSION

## Analysis

SB 53 was requested by advanced practice registered nurses (APRN) in Alaska through the APRN Alliance to reduce confusion about titling for consumers and payers. It brings Alaska into alignment with the APRN Consensus Model, a national best practices act.

It is anticipated that the Board of Nursing, Medical Board, and Board of Professional Counselors would each need to replace outdated terminology in their regulations to conform to this statutory change. The division estimates that the cost to each of these licensing programs would be \$2.5 per program for attorney review, regulations specialist time, printing, and postage to affected licensees. As required by AS 08.01.065, the cost of promulgating regulations will be recovered through license fee receipts.

If the bill becomes law, the division will require \$7.5 to cover legal costs to amend regulations, printing, and postage.

Professional licensing programs at CBPL are funded by Receipt Supported Services fund source 1156 Rcpt Svcs (DGF). Licensing fees for each program are set per AS 08.01.065 so the total amount of revenue collected approximately equals the occupation's actual regulatory costs.
