Approved By:	Sarah Woods, Deputy Director Finance & Management Services	Date:	03/19/15
Agency:	Health & Social Services		

FISCAL NOTE ANALYSIS

STATE OF ALASKA
2015 LEGISLATIVE SESSION

Analysis

Section 2(a)(6) of the bill requires the State to reform the Medicaid program in a manner that reduces the cost of providing services to seniors and individuals with disabilities. To achieve savings, the department will apply to the Centers for Medicare and Medicaid Services (CMS) to develop the 1915(i) funding authority, and provide Medicaid-funded home and community-based services that are currently 100% GF-funded.

The department will use this option to refinance the Senior Community Based Grant component's Adult Day and Senior In-Home Services for those who are receiving the service and are also Medicaid eligible.

Adult Day Grant: Total general fund expenditures = \$1,757.0 serving 416 recipients. SDS anticipates serving 114 under the 1915(i) option with an average cost per individual of \$4,223.58. Estimated general fund to be reduced for the Adult Day Grant = \$481.5.

Senior In-Home Grant: Total general fund expenditures = \$2,917.3, serving 1,528 individuals. SDS anticipates serving 123 under the 1915(i) option with an average cost per individual of \$1,909.20. Estimated general fund to be reduced for the Senior In-Home Grant = \$234.8.

The combined estimated general fund to be reduced through the use of the 1915(i) option = \$716.3

State Plan and regulation changes are required to implement the new option and would involve extensive public comment. The Department expects the 1915(i) option to be implemented by FY2018.
