Why this fiscal note differs from previous version:

This "P" version of the sponsor substitute for SB91 removes the requirement that the Alaska Judicial Council calculate and publish the change in the Consumer Price Index each year. The Council's fiscal note for the previous version of the sponsor substitute was zero, but the Council submits this new zero fiscal note to reflect the deletion of its role in the legislation.

FISCAL NOTE ANALYSIS

STATE OF ALASKA
2016 LEGISLATIVE SESSION**Analysis**

This version of SB91 removes the annual inflation adjustment of the value of property that distinguishes between misdemeanor and felony property offenses (former § 17), thus removing the requirement that the Alaska Judicial Council publish a report calculating the increase in value, if any, of property or services as an element of an offense (as described in the bill). Because the Council has no duties, it submits this zero fiscal note.
