## FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2016 LEGISLATIVE SESSION

## Analysis

The bill is the product of several years of work by all branches of state government, a specific state government commission and various interested private and public entities on the subject of criminal justice and corrections reform. The cited need is to find effective alternatives to long-term incarceration and lengthy sentences, with attendant costs, in criminal justice administration, sentencing and corrections. If enacted as drafted, the bill would not likely change or alter the mission or operations of the Office of Public Advocacy, but would likely have noticeable impact upon the agency's criminal defense clients. With regard to classification and prosecution of certain non-violent offenses, misdemeanors and certain drug offenses, the bill would re-orient criminal justice administration away, in some respects, from costly long-term incarceration and toward treatment, rehabilitation and community-based corrections.

The Office of Public Advocacy submits a zero fiscal note.
