## FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2016 LEGISLATIVE SESSION

## Analysis

This Bill clarifies that the final state natural resource water designation decision is made by the Legislature. It also establishes a process by which nominations can be submitted to and compiled by the Department of Environmental Conservation (DEC) for submittal to the Legislature for consideration.

DEC will provide a Reimbursable Services Agreement (RSA) to the Habitat division to help answer questions about water quality, fish, and wildlife related to the nomination and designation of state water as outstanding state resource water; provide appropriate water related fish and wildlife data when requested; provide input and comments on regulation development; and provide site specific input on nominated waters.

Funding for the RSA is included in the DEC fiscal note. The Division of Habitat has sufficient interagency receipt authority for the agreement which is estimated to be \$40,000.
