FISCAL NOTE ANALYSIS

STATE OF ALASKA
2016 LEGISLATIVE SESSION

Analysis

Senate Bill 180 seeks to establish an alternative to placing a child into the foster care system.

For parents who may be struggling with unemployment, homelessness, addiction, etc., this legislation offers parents the option to execute a power of attorney over their minor child, for no more than one year at a time, to another person in order to prevent the child from needing to enter the foster care system.

The department does not foresee a fiscal impact from this proposed legislation.
