FISCAL NOTE ANALYSIS

STATE OF ALASKA
2016 LEGISLATIVE SESSION

Analysis

Passage of this legislation will change the way permanent fund dividends are calculated having an impact on the amount of Permanent Fund Dividend criminal funds allocated to the Department of Corrections Physical Health Care component.

The Department of Corrections Physical Health Care component receives permanent fund dividend criminal funds which are based on a fluctuating annual PFD amount and the number of persons deemed ineligible during the appropriate year. The amount of PFD Criminal Funds appropriated to corrections for FY2017 was \$20,236,900.00 based on the CY2015 annual PFD amount of \$2,072.00 and an estimated 10,448 individuals deemed ineligible under AS 43.23.005(d).

Based on the Office of Management and Budget projections and using the same number of individuals identified as ineligible, this legislation would adjust the amount of PFD Criminal Funds available for allocation to the department requiring fund source changes as follows:

FY2018, FY2019 and FY2020 impacts are projected to be the same with an estimated dividend of \$1,000.00 per eligible recipient. This impact would reduce PFD Criminal Funds (\$11,200.3) increasing General Funds \$11,200.3 for these three fiscal years within the Physical Health Care component.

The FY2021 projections reflect a slight increase to the annual dividend to \$1,058.00 per eligible individual. This impact would increase the PFD Criminal Funds by \$606.0 reducing General Funds (\$606.0) for a continued impact of (\$10,594.3) PFD Criminal Funds / \$10,594.3 General Funds within the Physical Health Care component.

The FY2022 projections reflect another slight increase for an annual dividend of \$1,075.00 per eligible individual. This impact would increase the PFD Criminal Funds by \$177.6 reducing General Funds (\$177.6) for a continued impact of (\$10,416.7) PFD Criminal Funds / \$10,416.7 General Funds within the Physical Health Care component.
