FISCAL NOTE ANALYSIS

STATE OF ALASKA
2016 LEGISLATIVE SESSION

Analysis

This legislation repeals secs. 39 and 40, ch 36, SLA 2016. Sections 39 and 40 amend sex trafficking in the third and fourth degree under AS 11.66.130 and AS 11.66.135. Section 39 adds a paragraph to sex trafficking in the third degree which reads “a person does not act with the *intent to promote prostitution* . . . if the person (1) engages in prostitution ... in a location even if that location is shared with another person; and (2) has not induced or caused another person in that location to engage in prostitution.” (Emphasis added.) Section 40 adds a paragraph to sex trafficking in the fourth degree which reads “a person does not *institute, aid, or facilitate prostitution* if the person (1) engages in prostitution ... in a location even if that location is shared with another person; and (2) has not induced or caused another person in that location to engage in prostitution.” (Emphasis added.)

The Department of Law does not anticipate a fiscal impact from the repeal of these sections.
