Heavenly Father God, you are good! Thank you for this day. It is a day that you have made, and we look to you for your wisdom, knowledge, and understanding.

Father, this is a place we call our capital; it's a holy place, and I ask for your presence to be in this Chamber. Thank you, Father, for all of these men and women that represent the people of Alaska; thank you for their service. Father, I ask for your Holy Spirit's presence to show them and to help them to care for the business of the state. Father, you know each of their hearts; lead them, guide them, and show them your way that is best for the people. Help them to speak with care and express their ideas with respect to one another. Help them to hear as they consider one another's perspective; help them to be quick to hear and slow to speak.

Father, I ask that your will be done in this place and in these people's lives as it is in heaven. Thank you for hearing my prayer, in Jesus' name. Amen.

**INTRODUCTION, FIRST READING, AND REFERENCE  
OF HOUSE BILLS****HB 183**

HOUSE BILL NO. 183 by the House Rules Committee by request of the Governor, entitled:

"An Act relating to the assessment of property for oil and gas exploration, production, and pipeline transportation property tax on a North Slope natural gas project; amending the definition of "taxable property"; adding a definition for "North Slope natural gas project"; and making conforming amendments."

was read the first time and referred to the Community & Regional Affairs and Finance Committees.

The following fiscal note(s) apply:

1. Zero, Dept. of Revenue

The Governor's transmittal letter dated April 6, 2015, follows:

"Dear Speaker Chenault:

Under the authority of Article III, Section 18, of the Alaska Constitution, I am transmitting a bill relating to the assessment of property for the property tax for a North Slope natural gas project.

Due to the achievements by the Municipal Advisory Gas Project Review Board and the Alaska Liquefied Natural Gas project, it is time to move forward with legislation to address the property tax on a North Slope natural gas project. Revenues from the property tax on a North Slope natural gas project are anticipated to provide vital support for the State and local governments to establish sustainable fiscal platforms.

The bill would provide a framework for the assessment of property tax on a North Slope natural gas project once the project begins to transport gas. The assessment for property exclusively used for a North Slope natural gas project would be based on the full and true value of the property determined by adjusted original cost and annualized throughput. The bill would define a North Slope natural gas project for the purposes of the property tax to include a gas treatment plant, a gas pipeline, a liquefaction plant, and a marine terminal. Consistent with the concerns expressed by local governments

and legislative direction last year, the property tax on existing North Slope oil and gas and pipeline properties would be unchanged by this bill.

There is still much work to be done before this all-important project can be built. This bill demonstrates my Administration's continued commitment to building a gasline to provide gas to Alaskans and liquefied natural gas to world markets. I urge your prompt and favorable action on this measure.

Sincerely,  
/s/  
Bill Walker  
Governor"
