With respect to the diversity of voices, beliefs, and practices that call out to a power beyond our individual selves. I offer the following prayer:

Creative One:

We thank you for this day. May its light break into our preoccupations that we may be delighted by it and be renewed and strengthened for the work before us.

We pray this day for this body, this house. Fill it with all truth and peace. Where it is right, strengthen it. Where it is amiss, direct it. Where it is in need, provide for it. Where it is divided, reunite it. Fill these representatives with your energy, your creativity, and your compassion as they seek

balance between the needs of the people, the needs of this great land, and the resources that support both. Open them to possibilities, to surprise, and to joy.

We ask this in the hope and confidence for the sake of those gathered here, who faithfully serve, and for the sake of the ones scattered throughout this state, who trust in their service. Amen.
