**TWENTY-NINTH LEGISLATURE**  
**SECOND SESSION**

**March 21, 2016**

**Sixty-third Day**

Pursuant to adjournment the House was called to order by Speaker Chenault at 11:01 a.m.

Roll call showed 39 members present. Representative Hawker had been excused from a call of the House today.

The invocation was offered by the Chaplain, Ray Rivers, District 17, United States Coast Guard. Representative Wilson moved and asked unanimous consent that the invocation be spread on the journal. There being no objection, it was so ordered.

With the deepest respect for the religious beliefs of all Alaskans, I offer the following prayer.

Heavenly Father, thank you for this day, for every day is a gift from your hand. You are the giver and sustainer of all life. Thank you for your great love that we see displayed around us in so many ways. As resident of this great country and this great state, I thank you for the freedoms that we enjoy. May we never take them for granted! I also thank you for these Alaskan state representatives, their assistants, and all the state employees and their commitment to service for their state. May each look to you daily in faith to receive strength, wisdom, and resolve to finish the legislative season in excellent fashion, and may these leaders continue to work together in unity for the common good of Alaska, with compassion, cooperation, and integrity. As well I pray that

you will protect their families while they are here serving their state. May the separation from loved ones seem short and their reunion be sweet. We also thank you and pray for the military and first responders who protect and care for citizens of this state and this country. I ask for you to touch their lives, protect and bless them. Please enable us to love you with all of our heart, mind, soul, and strength and to love our neighbors as ourselves. May we live for your glory every day. I pray this prayer in the powerful and precious name of Jesus Christ my Lord. Amen.

The Pledge of Allegiance was led by Representative Reinbold.
