**Seventh Day**

Pursuant to adjournment the Senate was called to order by President Meyer at 11:05 a.m.

The roll showed nineteen members present. Senator McGuire was absent.

Senator Coghill moved and asked unanimous consent Senator McGuire be excused from a call of the Senate today. Without objection, Senator McGuire was excused.

The prayer was offered by the Chaplain, Senator Stoltze. Senator Hoffman moved and asked unanimous consent that the prayer be spread. Without objection, it was so ordered.

Lord,

As we continue our deliberation on matters for which we were called to Juneau, let us reflect and remember the life, deeds and accomplishments of the father of one of our absent colleagues, Dr. David McGuire, who passed away last night with his loved ones at his side.

A nationally recognized surgeon and medical innovator, he provided numerous advancements in his field through his inventions and their applications, benefitting countless patients throughout the country.

Dr. McGuire was a civic activist who contributed richly to his fellow man and greater community. His philanthropic acts, public and private, were significant and impactful. Dr. McGuire was a passionate outdoorsman who passed his skills and love of these activities to his daughter, son and grandson.

Lord, please give strength to our colleague, Senator McGuire, and to her family as they mourn the loss of Dr. McGuire.

As we note the multitude of temporal accomplishments of Dr. McGuire, may his family also find comfort in the rewards ahead in the eternal life achieved through salvation.

I offer this reading from 2 Corinthians 4:17-18:

For our light and momentary troubles are achieving for us an eternal glory that far outweighs them all. So we fix our eyes not on what is seen, but on what is unseen, since what is seen is temporary, but what is unseen is eternal.

I offer this prayer and its message of solace and remembrance, but also of hope and optimism, in the name of Jesus Christ. Amen.

Senator Giessel led the Senate in the Pledge of Allegiance.
