2 \* **Sec. 2.** AS 13 is amended by adding a new chapter to read:

3 **Chapter 63. Revised Uniform Fiduciary Access to Digital Assets Act.**

4 **Sec. 13.63.010. User direction for disclosure of digital assets.** (a) A user may  
5 use an online tool to direct the custodian to disclose to a designated recipient, or not to  
6 disclose, some or all of the user's digital assets, including the content of electronic  
7 communications. If the online tool allows the user to modify or delete a direction at all  
8 times, a direction regarding disclosure using an online tool overrides a contrary  
9 direction by the user in a will, trust, power of attorney, or other record.

10 (b) If a user has not used an online tool to give direction under (a) of this  
11 section or if the custodian has not provided an online tool, the user may allow or  
12 prohibit in a will, trust, power of attorney, or other record, disclosure to a fiduciary of  
13 some or all of the user's digital assets, including the content of electronic  
14 communications sent or received by the user.

15 (c) A user's direction under (a) or (b) of this section overrides a contrary  
16 provision in a terms-of-service agreement that does not require the user to act  
17 affirmatively and distinctly from the user's assent to the terms of service.

18 **Sec. 13.63.020. Terms-of-service agreement.** (a) This chapter does not  
19 change or impair a right of a custodian or a user under a terms-of-service agreement to  
20 access and use digital assets of the user.

21 (b) This chapter does not give a fiduciary or designated recipient any new or  
22 expanded rights other than those held by the user for whom, or for whose estate, the  
23 fiduciary or designated recipient acts or represents.

24 (c) A fiduciary's or designated recipient's access to digital assets may be  
25 modified or eliminated by a user, by federal law, or by a terms-of-service agreement if  
26 the user has not provided direction under AS 13.63.010.

27 **Sec. 13.63.030. Procedures for disclosing digital assets.** (a) When disclosing  
28 digital assets of a user under this chapter, the custodian may, in its sole discretion,

29 (1) grant a fiduciary or designated recipient full access to the user's  
30 account;

31 (2) grant a fiduciary or designated recipient partial access to the user's

1 account sufficient to perform the tasks with which the fiduciary or designated recipient  
2 is charged; or

3 (3) provide a fiduciary or designated recipient a copy in a record of  
4 any digital asset that, on the date the custodian received the request for disclosure, the  
5 user could have accessed if the user were alive and had full capacity and access to the  
6 account.

7 (b) A custodian may assess a reasonable administrative charge for the cost of  
8 disclosing digital assets under this chapter.

9 (c) A custodian is not required to disclose under this chapter a digital asset  
10 deleted by a user.

11 (d) If a user directs or a fiduciary requests a custodian to disclose under this  
12 chapter some, but not all, of the user's digital assets, the custodian is not required to  
13 disclose the assets if segregation of the assets would impose an undue burden on the  
14 custodian. If the custodian believes the direction or request imposes an undue burden,  
15 the custodian or fiduciary may seek an order from the superior court to disclose

16 (1) a subset limited by date of the user's digital assets;

17 (2) all of the user's digital assets to the fiduciary or designated  
18 recipient;

19 (3) none of the user's digital assets; or

20 (4) all of the user's digital assets to the superior court for review in  
21 camera.

22 **Sec. 13.63.040. Disclosure of content of electronic communications of**  
23 **deceased user.** If a deceased user consented or a superior court directs disclosure of  
24 the contents of electronic communications of the user, the custodian shall disclose to  
25 the personal representative of the estate of the user the content of an electronic  
26 communication sent or received by the user if the personal representative gives the  
27 custodian

28 (1) a written request for disclosure in physical or electronic form;

29 (2) a certified copy of the death certificate of the user;

30 (3) a certified copy of the letters testamentary of the personal  
31 representative;

1 (4) unless the user provided direction using an online tool, a copy of  
2 the user's will, trust, power of attorney, or other record evidencing the user's consent to  
3 disclosure of the content of electronic communications; and

4 (5) if requested by the custodian,

5 (A) a number, username, address, or other unique subscriber or  
6 account identifier assigned by the custodian to identify the user's account;

7 (B) evidence linking the account to the user; or

8 (C) a finding by the superior court that

9 (i) the user had a specific account with the custodian,  
10 identifiable by the information specified in (A) of this paragraph;

11 (ii) disclosure of the content of electronic  
12 communications of the user would not violate 18 U.S.C. 2701 - 2712,  
13 47 U.S.C. 222, or other applicable law;

14 (iii) unless the user provided direction using an online  
15 tool, the user consented to disclosure of the content of electronic  
16 communications; or

17 (iv) disclosure of the content of electronic  
18 communications of the user is reasonably necessary for administration  
19 of the estate.

20 **Sec. 13.63.050. Disclosure of other digital assets of deceased user.** Unless  
21 the user prohibited disclosure of digital assets or the superior court directs otherwise, a  
22 custodian shall disclose to the personal representative of the estate of a deceased user a  
23 catalog of electronic communications sent or received by the user and digital assets,  
24 other than the content of electronic communications, of the user if the representative  
25 gives the custodian

26 (1) a written request for disclosure in physical or electronic form;

27 (2) a certified copy of the death certificate of the user;

28 (3) a certified copy of the letters testamentary of the personal  
29 representative; and

30 (4) if requested by the custodian,

31 (A) a number, username, address, or other unique subscriber or

1 account identifier assigned by the custodian to identify the user's account;

2 (B) evidence linking the account to the user;

3 (C) an affidavit stating that disclosure of the user's digital  
4 assets is reasonably necessary for administration of the estate; or

5 (D) a finding by the superior court that

6 (i) the user had a specific account with the custodian,  
7 identifiable by the information specified in (A) of this paragraph; or

8 (ii) disclosure of the user's digital assets is reasonably  
9 necessary for administration of the estate.

10 **Sec. 13.63.060. Disclosure of content of electronic communications of**  
11 **principal.** To the extent a power of attorney expressly grants an agent authority over  
12 the content of electronic communications sent or received by the principal and unless  
13 directed otherwise by the principal or the superior court, a custodian shall disclose to  
14 the agent the content if the agent gives the custodian

15 (1) a written request for disclosure in physical or electronic form;

16 (2) an original or copy of the power of attorney expressly granting the  
17 agent authority over the content of electronic communications of the principal;

18 (3) a certification by the agent, under penalty of perjury, that the power  
19 of attorney is in effect; and

20 (4) if requested by the custodian,

21 (A) a number, username, address, or other unique subscriber or  
22 account identifier assigned by the custodian to identify the principal's account;  
23 or

24 (B) evidence linking the account to the principal.

25 **Sec. 13.63.070. Disclosure of other digital assets of principal.** Unless  
26 otherwise ordered by the superior court, directed by the principal, or provided by a  
27 power of attorney, a custodian shall disclose to an agent with specific authority over  
28 digital assets or general authority to act on behalf of a principal a catalog of electronic  
29 communications sent or received by the principal and digital assets, other than the  
30 content of electronic communications, of the principal if the agent gives the custodian

31 (1) a written request for disclosure in physical or electronic form;

1 (2) an original or a copy of the power of attorney that gives the agent  
2 specific authority over digital assets or general authority to act on behalf of the  
3 principal;

4 (3) a certification by the agent, under penalty of perjury, that the power  
5 of attorney is in effect; and

6 (4) if requested by the custodian,

7 (A) a number, username, address, or other unique subscriber or  
8 account identifier assigned by the custodian to identify the principal's account;

9 or

10 (B) evidence linking the account to the principal.

11 **Sec. 13.63.080. Disclosure of digital assets held in trust when trustee is**  
12 **original user.** Unless otherwise ordered by the superior court or provided in a trust, a  
13 custodian shall disclose to a trustee that is an original user of an account any digital  
14 asset of the account held in trust, including a catalog of electronic communications of  
15 the trustee and the content of electronic communications.

16 **Sec. 13.63.090. Disclosure of contents of electronic communications held in**  
17 **trust when trustee not original user.** Unless otherwise ordered by the superior court,  
18 directed by the user, or provided in a trust, a custodian shall disclose to a trustee that is  
19 not an original user of an account the content of an electronic communication sent or  
20 received by an original or successor user and carried, maintained, processed, received,  
21 or stored by the custodian in the account of the trust if the trustee gives the custodian

22 (1) a written request for disclosure in physical or electronic form;

23 (2) a certified copy of the trust instrument or a certification of the trust  
24 under AS 13.36.079 that includes consent to disclosure of the content of electronic  
25 communications to the trustee;

26 (3) a certification by the trustee, under penalty of perjury, that the trust  
27 exists and the trustee is a currently acting trustee of the trust; and

28 (4) if requested by the custodian,

29 (A) a number, username, address, or other unique subscriber or  
30 account identifier assigned by the custodian to identify the trust's account; or

31 (B) evidence linking the account to the trust.

1                   **Sec. 13.63.100. Disclosure of other digital assets held in trust when trustee**  
2 **not original user.** Unless otherwise ordered by the superior court, directed by the  
3 user, or provided in a trust, a custodian shall disclose to a trustee that is not an original  
4 user of an account a catalog of electronic communications sent or received by an  
5 original or successor user and stored, carried, or maintained by the custodian in an  
6 account of the trust and any digital assets, other than the content of electronic  
7 communications, in which the trust has a right or interest if the trustee gives the  
8 custodian

9                   (1) a written request for disclosure in physical or electronic form;

29 held by a custodian or subject to a terms-of-service agreement.

30 (d) A fiduciary acting within the scope of the fiduciary's duties is an  
31 authorized user of the property of the decedent, protected person, principal, or settlor

30 custodian shall comply with a request under this chapter from a fiduciary or  
31 designated recipient to disclose digital assets or terminate an account. If the custodian

1 fails to comply, the fiduciary or designated recipient may apply to the superior court  
2 for an order directing compliance.

6 terminate an account was made under this chapter.

7 (d) A custodian may deny a request under this chapter from a fiduciary or  
8 designated recipient for disclosure of digital assets or to terminate an account if the  
9 custodian is aware of any lawful access to the account following the receipt of the  
10 fiduciary's request.

11 (e) This chapter does not limit a custodian's ability to obtain or to require a  
12 fiduciary or designated recipient requesting disclosure or termination under this  
13 chapter to obtain a superior court order that

14 (1) specifies that an account belongs to the protected person or  
15 principal;

16 (2) specifies that there is sufficient consent from the protected person  
17 or principal to support the requested disclosure; and

18 (3) contains a finding required by law other than this chapter.

25 **Commerce Act.** This chapter modifies, limits, or supersedes 15 U.S.C. 7001 - 7031

29 **Sec. 13.63.160. Digital assets coverage.** In this chapter, a digital asset does  
30 not apply to an underlying asset or liability unless the asset or liability is itself an  
31 electronic record. This chapter does not apply to a digital asset of an employer used by

1 an employee in the ordinary course of the employer's business.

2 **Sec. 13.63.170. Application to custodians.** This chapter applies to a custodian  
3 if the user resides in this state or resided in this state at the time of the user's death.
