3 **practice of dentistry; relating to the practice of pharmacy; relating to the practice of**  
4 **medicine; relating to the practice of podiatry; relating to the practice of osteopathy;**  
5 **relating to the practice of nursing; relating to the practice of optometry; relating to the**

7 **relating to pharmacists; providing for an effective date by repealing the effective date of**  
8 **sec. 73, ch. 25, SLA 2016; and providing for an effective date."**

9 **BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:**

10 \* **Section 1.** The uncodified law of the State of Alaska is amended by adding a new section  
11 to read:

12 LEGISLATIVE INTENT. It is the intent of the legislature that the seven-day supply

1 limit for an initial opioid prescription under secs. 5, 16, and 22 of this Act may not be  
 2 considered as a minimum length of time appropriate for an initial prescription. The United  
 3 States Centers for Disease Control and Prevention guidelines state that a three-day initial  
 4 prescription of an opioid is sufficient for most cases of acute pain. The United States Centers  
 5 for Disease Control and Prevention reported in its March 17, 2017, weekly report that the  
 6 likelihood of a person's chronic opioid use increases with each additional day of medication  
 7 supplied after the second day. Practitioners should use their professional judgment in each  
 8 case and not interpret the seven-day limit as a direction to prescribe the full seven days.

9 \* **Sec. 2.** AS 08.36.070(a), as amended by sec. 5, ch. 25, SLA 2016, is amended to read:

10 (a) The board shall

11 (1) provide for the examination of applicants and the credentialing,  
 12 registration, and licensure of those applicants it finds qualified;

13 (2) maintain a registry of licensed dentists, licensed dental hygienists,  
 14 and registered dental assistants who are in good standing;

 16 annual dues to the association;

 18 violates this chapter, AS 08.32, or a regulation of the board;

19 (5) supply forms for applications, licenses, permits, certificates,  
 20 registration documents, and other papers and records;

21 (6) enforce the provisions of this chapter and AS 08.32 and adopt or  
 22 amend the regulations necessary to make the provisions of this chapter and AS 08.32  
 23 effective;

24 (7) adopt regulations ensuring that renewal of a license, registration, or  
 25 certificate under this chapter or a license, certificate, or endorsement under AS 08.32  
 26 is contingent on [UPON] proof of continued professional competence; the  
 27 regulations must require that a licensee receive not less than two hours of  
 28 education in pain management and opioid use and addiction in the two years  
 29 preceding an application for renewal of a license, unless the licensee has  
 30 demonstrated to the satisfaction of the board that the licensee does not currently  
 31 hold a valid federal Drug Enforcement Administration registration number;

1 (8) at least annually, cause to be published on the Internet and in a  
 2 newspaper of general circulation in each major city in the state a summary of  
 3 disciplinary actions the board has taken during the preceding calendar year;

4 (9) issue permits or certificates to licensed dentists, licensed dental  
 5 hygienists, and dental assistants who meet standards determined by the board for  
 6 specific procedures that require specific education and training;

7 (10) require that a licensed dentist who has a federal Drug  
 8 Enforcement Administration registration number register with the controlled substance  
 9 prescription database under AS 17.30.200(o).

11 (3) meet the other qualifications for a license established by the board  
12 by regulation, including education in pain management and opioid use and  
13 addiction in the two years preceding the application for a license, unless the  
14 applicant has demonstrated to the satisfaction of the board that the applicant  
15 does not currently hold a valid federal Drug Enforcement Administration  
16 registration number; approved education may include dental school coursework.

17 \* **Sec. 4.** AS 08.36.315 is amended to read:

18 **Sec. 08.36.315. Grounds for discipline, suspension, or revocation of license.**

19 The board may revoke or suspend the license of a dentist, or may reprimand, censure,

 14 impair the dentist's ability to practice safely;

15 (C) physical or mental disability;

16 (9) engaged in lewd or immoral conduct in connection with the  
 17 delivery of professional service to patients;

5 opioid is necessary for

6 (1) the patient's acute medical condition, chronic pain management,  
7 pain associated with cancer, or pain experienced while the patient is in palliative care;  
8 the licensee may write a prescription for an opioid for the quantity needed to treat the

10 experienced while the patient is in palliative care; the licensee shall document in the
