committees and the Legislative Finance Division related to actual Medicaid expenditures and projections for the remainder of FY19 on October 15th, January 15th, March 15th, and June 15th. It is further the intent that the template provide FY20 expenditure projections.

It is the intent of the legislature that the department significantly increase its efforts to reduce the state share of Medicaid service costs by managing Medicaid utilization to index with the national average per enrollee cost.
