*** Section 1.** AS 05.25.055(a) is amended to read:

(a) A [AN UNDOCUMENTED] boat placed on water of the state must be titled, registered, and numbered as required by this chapter. The Department of Administration shall adopt by regulation a boat registration and numbering system that is consistent with the national standard for state numbering systems established by the United States Coast Guard.

1 * **Sec. 2.** AS 05.25.055(f) is amended to read:

2 (f) Unless otherwise provided by this chapter, [OR UNLESS THE OWNER
3 HAS BEEN AWARDED A CURRENT, VALID ALASKA CERTIFICATE OF
4 NUMBER FROM THE UNITED STATES COAST GUARD,] the owner of a boat for
5 which a current certificate of number has been awarded under federal law or a
6 federally approved numbering system of another state shall apply for a certificate of
7 number in this state as required by this chapter if the boat is operated on water of the
8 state for more than 90 consecutive days **or if the boat is a barge and is operated on**
9 **water of the state for more than 60 consecutive days**. If a boat has an existing
10 number, the owner may request that the department issue the same number for
11 purposes of this section, and the department shall comply with the request unless
12 compliance would result in a duplication of numbers.

13 * **Sec. 3.** AS 05.25.055(i) is amended to read:

14 (i) The following boats are exempt from the numbering and registration
15 provisions of this section:

18 **(B)** **is** operated in this state for a period not exceeding 90
19 consecutive days; and

12 (b) A person who purchases or obtains a majority ownership of an
 13 undocumented boat shall, within 30 days after purchasing or obtaining the boat, apply
 14 for a new certificate of title that shows the boat's change of ownership.

15 (c) If the Department of Administration is not satisfied as to the ownership of
 16 an undocumented boat or believes there may be an undisclosed security interest in an
 17 undocumented boat, the Department of Administration may register the boat without
 18 issuing a title and shall type or stamp on the face of the certificate of registration "No
 19 Title Issued." A certificate of title may be issued only if the

 27 associated with an act or omission under this section.

28 (e) The Department of Administration shall adopt regulations to implement
 29 this section.

30 (f) This section does not apply to an undocumented boat that is 24 feet or less
 31 in length, unless the owner of the boat chooses to apply to the Department of

Administration for a certificate of title for the boat.

23 ABANDONED]

24 (1) on the waters of the state or **on state or municipal property** [AT

* **Sec. 11.** AS 30.30.010(e) is amended to read:

(e) A person who violates this section, upon conviction, is guilty of a misdemeanor and is punishable by **one or more of the following:**

An action to enjoin a violation may be brought notwithstanding the availability of any other remedy. On application for injunctive relief and a finding that a person has violated AS 30.30.010, the superior court may grant the injunction. Each day that a violation occurs constitutes a separate violation.

(b) The department may provide for the payment of a civil penalty under this section by mail.

* **Sec. 14.** AS 30.30.030 is amended to read:

Sec. 30.30.030. Limitation on applicability. A vessel does not constitute a derelict vessel under this chapter if the

(1) department provides written authorization for the owner to

anchor, moor, store, or otherwise leave the vessel within 14 days after the owner anchors, moors, stores, or leaves the vessel; and

(2) vessel is anchored, moored, stored, or otherwise left unattended for more than 14 days

(A) [WHEREVER] outside of an organized municipality where [IN THE STATE] it is [, OR HAS BECOME,] the custom, common, or accepted practice to anchor, moor, store, or otherwise leave a vessel in a port or harbor or in [THE] waters of the state;

(B) because [OF THE STATE IN SUCH A MANNER THAT IT DOES NOT THREATEN OR OBSTRUCT NAVIGATION, OR TO STORE OR OTHERWISE LEAVE A VESSEL WITHOUT PERMISSION ON PUBLIC OR PRIVATE PROPERTY, UNATTENDED FOR MORE THAN 30 DAYS, WHERE] climatic conditions make use of the vessel impracticable; or

(C) because other applicable provisions of law prohibit [PRECLUDE] use of the vessel during that period of time [, THE UNATTENDED ANCHORING, MOORING, STORING, OR LEAVING OF THE VESSEL DOES NOT CONSTITUTE ABANDONMENT OF THE VESSEL AS THAT TERM IS USED IN AS 30.30.010 - 30.30.100].

* Sec. 15. AS 30.30.040 is amended to read:

Sec. 30.30.040. Pre-impoundment notice and hearing [NOTICE TO OWNER]. Except as otherwise provided in this chapter, at least 20 days before impounding a vessel, the state agency or municipality responsible for impounding the vessel shall post [ON TAKING CUSTODY OF AN ABANDONED VESSEL,] a written notice [IMMEDIATELY SHALL BE POSTED] on the vessel, if possible, and on the Alaska Online Public Notice System or the municipality's official website. A copy [A DUPLICATE] of that notice must be sent by [REGISTERED OR] certified mail, with a return receipt, to the [REGISTERED] owner of the vessel at the [REGISTERED] owner's last known address or the address on record with the United States Coast Guard or the Department of Administration and to all lienholders shown on the records of the United States Coast Guard or a state [OR

FEDERAL] agency. [THE NOTICE MUST CONTAIN A BRIEF DESCRIPTION OF THE VESSEL, THE LOCATION OF CUSTODY, AND THE INTENDED DISPOSITION OF THE VESSEL IF NOT REPOSSESSED WITHIN 20 DAYS AFTER THE MAILING OF THE NOTICE. A NOTICE NEED NOT BE SENT TO THE PURPORTED OWNER OR ANY OTHER PERSON WHOSE INTEREST IN THE VESSEL IS NOT RECORDED WITH A STATE AGENCY OR A FEDERAL AGENCY.]

* **Sec. 16.** AS 30.30.040 is amended by adding new subsections to read:

(b) The notice must contain the

- (1) name or number of the vessel, if known;
- (2) name and address of the owner, if known;
- (3) intended action against the vessel; and
- (4) hearing procedure under (c) of this section.

(c) Except as provided in AS 30.30.065, the owner of a vessel may file a written demand for a pre-impoundment hearing with the state agency or municipality that sent the notice within 15 days after the postmark date of the notice required under (a) of this section. If the written demand is made by a person who is not the owner of the vessel, the written demand must establish that the person requesting the hearing has an interest in the vessel. An owner or a person with a financial or security interest in a vessel who fails to request or attend a scheduled hearing waives the right to a hearing.

(d) A pre-impoundment hearing must be conducted within 10 business days after the receipt of a written demand for a pre-impoundment hearing unless the person requesting the hearing consents to a later date.

(e) An individual who has authority to direct the impoundment of a vessel at issue in a pre-impoundment hearing may not serve as the hearing officer. The hearing shall be conducted in an informal manner. The provisions of AS 44.62 (Administrative Procedure Act) do not apply to a hearing conducted under this section.

(f) The state agency or municipality responsible for impounding a vessel has the burden of showing substantial evidence that the vessel is derelict. After the hearing, the hearing officer shall issue a written decision of whether there is

1 substantial evidence that the vessel is derelict. A copy of the decision shall be
 2 provided to the vessel owner and the person requesting the hearing, if other than the
 3 vessel owner.

4 (g) If the hearing officer determines that there is substantial evidence
 5 establishing that the vessel is derelict, then the state agency or municipality may
 6 impound the vessel and proceed with disposition of the vessel as provided under
 7 AS 30.30.055.

8 * **Sec. 17.** AS 30.30 is amended by adding a new section to read:

9 **Sec. 30.30.045. Notice of disposition of derelict vessel.** (a) After impounding
 10 a derelict vessel, the state agency or municipality shall post a notice of disposition on
 11 the Alaska Online Public Notice System or the municipality's website and, if possible,
 12 on the vessel itself at least 20 days before disposing of the vessel.

13 (b) A duplicate of the notice must be served by certified mail, return receipt
 14 requested, on

15 (1) the owner of the vessel, if known, at the address on record with the
 16 United States Coast Guard or the Department of Administration; and

17 (2) all lienholders who have filed a financing statement indexed in the
 18 name of the owner or who are shown on the records of a state agency or the United
 19 States Coast Guard.

20 (c) The notice of disposition must include

21 (1) a description of the vessel;

22 (2) the name or number of the vessel, if known;

23 (3) the name and address of the owner, if known;

24 (4) the location of the vessel;

25 (5) the means of disposition; and

26 (6) the location, date, and time of a public auction if an auction will be
 27 held to dispose of the vessel.

28 * **Sec. 18.** AS 30.30 is amended by adding a new section to read:

29 **Sec. 30.30.055. Impoundment and disposition of derelict vessel.** (a) A state
 30 agency or municipality may impound a derelict vessel by

31 (1) securing the vessel in place;

1 (2) towing or sailing the vessel to a secure mooring in a location that is
2 authorized by the state agency or municipality; or

3 (3) removing the vessel from the water and placing it in storage.

4 (b) The state agency or municipality that impounds a vessel may sell, donate,
5 or destroy the vessel if the vessel is not repossessed by the owner or a person with a
6 financial or security interest in the vessel within 20 days after the postmark date of the
7 notice mailed under AS 30.30.045(a). The sale of a vessel may be by public auction or
8 by sealed bids or, if no bids are received, by negotiated sale.

9 (c) A state agency or municipality may, by regulation or ordinance, adopt sale
10 or disposal methods that are consistent with the provisions of this chapter.

11 (d) A state agency or municipality shall apply the proceeds from the sale of a
12 vessel under this chapter in the following order:

13 (1) to the administrative costs associated with impounding the vessel;

14 (2) to the costs of towing, handling, and storing the vessel;

15 (3) to the administrative costs of conducting the sale;

16 (4) to a lienholder to the extent of the lien;

17 (5) to the owner of the vessel if the owner can be found; if the owner
18 cannot be found, the balance shall be deposited into the derelict vessel prevention
19 program fund under AS 30.30.096.

20 (e) A state agency or municipality shall disperse the proceeds of the sale of a
21 vessel at a public auction under federal law in accordance with federal law.

22 (f) The state agency or municipality or its designees, employees, or agents are
23 not liable for the disposition of a vessel to the owner, operator, or any lienholder of the
24 vessel.

25 (g) The transfer of title and interest by sale under this section is a transfer by
26 operation of law. However, a bill of sale executed by an authorized seller is
27 satisfactory evidence authorizing the transfer of the title or interest.

28 * **Sec. 19.** AS 30.30.060 is amended to read:

29 **Sec. 30.30.060. Possession by interested party.** An owner or a [A] person
30 having a financial or security [AN] interest in a derelict [AN ABANDONED] vessel
31 may take possession of it before the date of the public auction, destruction, or

donation of the vessel upon payment to the state agency or municipality of all port or harbor use fees, towing, handling, storage, appraisal, advertising, and any other expenses incurred by the state agency or municipality in connection with the vessel. [IF THE PERSON TAKING POSSESSION OF THE VESSEL IS NOT THE REGISTERED OWNER, THE PERSON SHALL, BEFORE TAKING POSSESSION OF THE VESSEL, PAY THE EXPENSES INCURRED BY THE STATE AGENCY OR MUNICIPALITY AND POST ADEQUATE SECURITY, WHICH MAY NOT EXCEED THE APPRAISED VALUE OF THE VESSEL. THE SECURITY, IF NOT FORFEITED, SHALL BE RETURNED TO THE PERSON ONE YEAR AFTER RECEIPT.]

* **Sec. 20.** AS 30.30 is amended by adding a new section to read:

Sec. 30.30.065. Impoundment of derelict vessels posing imminent clear and present danger. (a) Notwithstanding any other provision of law, a state agency or municipality may impound a derelict vessel immediately if the vessel constitutes a clear and present danger to public health, safety, or general welfare.

(b) When action is taken to impound a derelict vessel under (a) of this section, the state agency or municipality impounding the vessel shall, after 24 hours of the impoundment, provide notice of the action and the opportunity for a post-impoundment hearing by hand-delivery or certified mail, return receipt requested, to the owner of the vessel if the name and location of the owner is known.

(c) The owner of the vessel or a person with a financial or security interest in the vessel may file a written demand for a post-impoundment hearing within 15 days after the postmark date of the notice of impoundment under (b) of this section. An owner or a person with a financial or security interest in the vessel who fails to request or attend a scheduled post-impoundment hearing waives the right to the hearing.

(d) The state agency or municipality that impounded the vessel shall conduct a post-impoundment hearing within 48 hours after receiving a written demand for a post-impoundment hearing. The 48-hour period does not include Saturdays, Sundays, days that the state agency or municipality that impounded the vessel is officially closed, and legal holidays. The state agency or municipality shall conduct the post-impoundment hearing in an informal manner. The provisions of AS 44.62

(Administrative Procedure Act) do not apply to a post-impoundment hearing.

(e) A post-impoundment hearing officer shall determine whether there is substantial evidence establishing that the derelict vessel constituted a clear and present danger. If the hearing officer determines that there is substantial evidence to impound the vessel, the state agency or municipality or its designee may proceed to dispose of the vessel as provided under AS 30.30.055. If the hearing officer determines that there was not substantial evidence to impound the vessel, the state agency or municipality that impounded the vessel

(1) shall release the vessel to the owner;

(2) may not require the owner to pay the towing, storage, impoundment, or abatement charges; and

(3) shall refund or reimburse any towing, storage, impoundment, or abatement charges previously paid by the owner.

* **Sec. 21.** AS 30.30 is amended by adding a new section to read:

Sec. 30.30.075. Liability for derelict vessels. Except as provided in AS 30.30.065(e), the owner of a vessel and a person entitled to possession of a vessel impounded under this chapter are jointly and severally liable for all costs incurred by the state agency or municipality in connection with the impoundment, storage, and removal of the vessel.

* **Sec. 22.** AS 30.30.090 is amended to read:

13 marine document records of the United States Coast Guard contain no record that the
14 vessel ever has been registered or documented, and the owner's name or address
15 cannot be determined; or

16 (7) the vessel has been anchored, moored, stored, abandoned, or
17 otherwise left unattended on private property without authorization by the
18 owner or occupant of the property.
