FISCAL NOTE ANALYSIS

STATE OF ALASKA
2018 LEGISLATIVE SESSION

Analysis

This bill allows the Department of Commerce, Community, and Economic Development to provide funding for shellfish hatchery planning, construction, and operation through the Alaska Mariculture Revolving Loan Fund.

The bill will not affect the Department of Fish and Game directly, but may provide additional operating funds for operators of hatcheries supplying aquatic plants or shellfish to an aquatic farm. The department does not anticipate any fiscal impact from this proposal.
