FISCAL NOTE ANALYSIS

STATE OF ALASKA
2017 LEGISLATIVE SESSION**Analysis**

This bill relieves the statutory mandate that requires the agency to establish offices in each senate district. It also codifies current agency practices. The statutes currently require physical copies of filed statements and reports be delivered to the Lt. Governor's Office and the LAA. The agency's online filing program and other technologies alleviate the need for paper forms and materials for the vast majority of filers, and also makes statements and reports filed with the agency publicly available through the agency's website.

APOC submits a zero fiscal note.
