FISCAL NOTE ANALYSIS

STATE OF ALASKA
2018 LEGISLATIVE SESSION

Analysis

HB263 exempts water vessels and water taxis from the requirement to obtain a transporter license.

The bill amends AS 08.54.790(12) to include water "vessel" and "water taxi operator" as a form of transportation exempt from the definition of transportation services.

The Division of Corporations, Business, and Professional Licensing does not anticipate fiscal impact from this legislation.

Professional licensing programs within the Division of Corporations, Business and Professional Licensing are funded by Receipt Supported Services, fund source 1156 Rcpt Svcs (DGF). Licensing fees for each occupation are set per AS 08.01.065 so the total amount of revenue collected approximately equals the occupation's actual regulatory costs.
