FISCAL NOTE ANALYSIS

STATE OF ALASKA
2017 LEGISLATIVE SESSION**Analysis**

This bill requires the commissioner of Department of Natural Resources to adopt regulations and conduct oversight of industrial hemp in Alaska.

DNR would enter into a RSA with the Department of Law (DOL) to assist in drafting regulations at a cost of approximately \$25 thousand.

The cost of administering the registration program will be determined after regulations are drafted. Those costs will be recovered via revenue from approximately 25 farms the department anticipates to register in the first year.
