## FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2017 LEGISLATIVE SESSION**Analysis**

SB 63 prohibits and penalizes smoking where the public and vulnerable individuals are located. This includes certain retail establishments, public-use areas, and enclosed areas, including buildings that do not meet ventilation standards. Additionally, this legislation requires employers, property owners, property operators, and other members of the public to display signs of the smoking prohibitions to be posted in the aforementioned areas.

The Alcohol and Marijuana Control Office does not anticipate fiscal impact from this legislation. Any regulations required of the Marijuana Control Board will be included in existing regulations projects.
