FISCAL NOTE ANALYSIS

STATE OF ALASKA
2018 LEGISLATIVE SESSION**Analysis**

This legislation establishes the dividend lottery fund. A portion of the dividend lottery fund will be used to fund the education endowment fund also established by the legislation. Each permanent fund dividend applicant over the age of 18 who files electronically may direct all or a portion of their dividend to the dividend lottery fund. Each \$100 contribution to the fund entitles the donor to one entry into a drawing to award prizes from the fund. The legislation exempts this drawing from the definition of gambling under AS 11.66.280.

The Department of Law does not anticipate a fiscal impact.
