FISCAL NOTE ANALYSIS

STATE OF ALASKA
2018 LEGISLATIVE SESSION

Analysis

This legislation amends AS 11.71 relating to controlled substances by adding a new section that redefines misconduct involving controlled substances (MICS) in the second degree to make the manufacture or distribution of large amounts of certain drugs a class A felony; realigns MICS statutes based on that change, and makes associated conforming amendments.

Passage of this legislation would have no fiscal impact on the Alaska State Troopers.
