FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2018 LEGISLATIVE SESSION

Analysis

This bill amends AS 14.25.420(a) and AS 39.35.820(a) to remove the list of disbursement options from statute and move the options to regulations. New language removes the list of disbursement options and replaces it with general language authorizing a lump sum payment of the entire balance or a periodic payment option authorized by the regulations.

This change will allow more flexibility to the Plan Administrator, with adoption by the Alaska Retirement Management Board, to add new options as they become available and are of benefit to participants. Future disbursement options will go through the regulatory process with public notice to all stakeholders and interested parties.

This bill has zero fiscal impact.
