FISCAL NOTE ANALYSIS

STATE OF ALASKA
2018 LEGISLATIVE SESSION

Analysis

Passage of this resolution would require a constitutional amendment to appear on the 2018 general election ballot.

This change has no impact on the financial costs associated with the division's conduct of state and federal elections. No additional staff will be required to implement the proposed law. The cost of providing information about the constitutional amendment in the Official Election Pamphlet, as required by AS 15.58, would be absorbed into the operating budget for the Division of Elections.
