ENGROSSMENT

SB 142

The following, for which engrossment was waived (page 3764), was engrossed and sent to the Senate May 16:

HOUSE CS FOR CS FOR SENATE BILL NO. 142(FIN) am H
"An Act making appropriations, including capital appropriations, supplemental appropriations, reappropriations, and other appropriations; amending appropriations; making appropriations to capitalize funds; and providing for an effective date."

ENGROSSMENT AND ENROLLMENT

HB 285

The following was engrossed and enrolled, signed by the Speaker and Chief Clerk, President and Secretary of the Senate, and the engrossed and enrolled copies were transmitted to the Office of the Governor at 2:08 p.m., June 6:

CONFERENCE CS FOR HOUSE BILL NO. 285

"An Act making appropriations for the operating and capital expenses of the state's integrated comprehensive mental health program; and providing for an effective date."

The following memorandum dated May 21 was received from Gerald P. Luckhaupt, Revisor of Statutes, Division of Legal and Research Services:

"In accordance with Rule 43, Uniform Rules of the Alaska State Legislature, I am reporting the following manifest error in CCS HB 285, which has been corrected in enrolling.

Due to a computer error, sections 4 - 6, dealing with capital appropriations that were approved by the conference committee, were omitted when the "numbers"¹ sections of the bill were transmitted by the Division of Legislative Finance to the Division of Legal and Research Services to be merged with the "language"² sections. As a result, when the final conference committee substitute was created, these sections were erroneously omitted. The error is manifest because

(1) the conference committee report and other public documents from the conference committee reflect that the conference committee adopted six capital budget items, one from the senate approved budget and five from the house approved budget (*see, e.g.*, April 17, 2018 Conference Committee Motion Sheet, p. 6); these items were all included in the mental health budget introduced by the governor (HB 285);

(2) Representative Seaton explained on the floor of the House of Representatives that the conference committee substitute fully funded the six capital projects requested by the governor, and Senator Hoffman explained on the Senate floor that the conference committee substitute included six capital project items requested by the governor and listed the five amounts that were not included in the original senate budget;

(3) both the Senate and the House of Representatives adopted the conference committee substitute;

(4) the title of the conference committee substitute provides that it is "making appropriations for the operating and capital expenses of the state's integrated comprehensive mental health program"; the only capital expenses are in secs. 4 - 6;

(5) the numbering of the bill skips from sec. 4 to sec. 7;

¹ Prepared by the Division of Legislative Finance.

² Prepared by the Division of Legal and Research Services.

(6) the final line of sec. 3 states that sec. 4 begins on the next page (p. 11, line 15, CCS HB 285); instead the next page begins with sec. 7.

Based upon the foregoing, I have determined that the printed version of CCS HB 285 does not accurately reflect legislative action, is unquestionably inaccurate, and that nothing in the record suggests that the failure to include secs. 4 - 6 was intentional.

For all of these reasons, CCS HB 285 was corrected by the addition of secs. 4 - 6, as set out below:

Page 12, before line 1:

Also transmitted was a copy of the following letter dated May 15 to Ms. Mary Jane Michael, Chair, Alaska Mental Health Trust Authority:

"Dear Ms. Michael:

Pursuant to the requirements of AS 37.14.005(c), this letter and the enclosed reports describe how the funding contained in HB 285 (the FY19 Mental Health budget) and SB 142 (the Capital Bill) differ from the FY19 Mental Health Trust Authority's (Authority) funding recommendations for the State's integrated comprehensive mental health program. While the statute requires reporting only on general fund expenditures, information regarding expenditures of Authority receipts is also included in the attached reports.

Operating Appropriations (report No. 1)

For mental health operating program funding, the *Agency Summary* report compares the FY19 Mental Health Trust Authority operating budget recommendations to the Governor's request and to the appropriations passed by the legislature. Note that, for comparison purposes, Authority recommendations include FY19 salary

adjustments and base transactions requested by the Governor. This brings the FY19 total Authority recommendations to \$232.6 million (column 1). The Governor requested \$232.5 million (column 2), and the Conference Committee's budget totaled \$233.4 million (column 3). The Conference Committee budget is \$902.9 above the Governor's request, an increase of 0.4%.

Governor's Request (report No. 2)

An enclosed *Transaction Compare* report shows differences between Authority recommendations and the Governor's request. The differences between the two are as follows:

- Department of Natural Resources/Mental Health Trust Lands Administration. The MH Trust requested \$355.2 more of MHTAAR funding (report No. 2, page 7) than the Governor requested;
- Department of Revenue/MH Trust Operations. The Trust requested \$267.9 more of MHT Admin funding (report No. 2, page 8) than the Governor's request;
- **Salary Adjustments** in the following departments:
 - Admin - \$5.0 GF/MH, Supervisory Unit
 - DOC - \$83.4 GF/MH, Supervisory Unit
 - H&SS - \$220.0 GF/MH and \$19.6 MHTAAR, Supervisory Unit; plus \$195.0 GF/MH, Labor Trades and Crafts (LTC)
 - Labor - \$4.0 MHTAAR, Supervisory Unit
 - DOR - \$6.0 GF/MH, Supervisory Unit

Conference Committee Budget (report No. 3)

The legislature treated the Governor's request as a starting point for budget deliberations. Other than the differences listed below, the legislature approved the FY19 Mental Health Budget as submitted by the Governor.

- Department of Health and Social Services/Behavioral Health Treatment and Recovery Grants – fund change to replace \$1.5 million of Alcohol and Other Drug Treatment and Prevention Funds (code 1180) with Recidivism Reduction Funds (code 1246);
- Department of Health and Social Services - transferred \$159.0 of MHTAAR funding from Medicaid Services/Behavioral Health Medicaid Services to Behavioral Health/ Behavioral

Health Administration AND added \$159.0 GF/MH for one-time study on improving Alaska's capacity to treat defendants with acute mental health needs;

- Department of Natural Resources/Mental Health Trust Lands Administration – added \$326.0 MHTAAR to partially restore the Mental Health Trusts full request;
- Department of Revenue/Mental Health Trust Operations – added \$267.9 MHT Admin funding to fully restore the Mental Health Trust's request and added one PFT Program Manager position; and
- University of Alaska/Anchorage Campus – added \$150.0 GF/MH to maintain operations of the Alaska Justice Information Center.

Supplemental Appropriations

Mental Health supplemental requests submitted by the Governor were accepted as follows:

- Capital supplemental - \$3 million GF/MH (UGF) plus \$9 million ACHI funds (DGF) for substance use disorder grants (the Governor requested \$18 million GF/MH); and
- Operating supplemental - \$1,736.0 GF/MH (FY18-19) (plus \$682.0 I/A and \$682.0 SD/PR) and 20 PFT positions to expand nursing capacity at the Alaska Psychiatric Institute.

Capital Appropriations (report No. 4)

The Authority recommended a \$14.8 million capital budget. The Governor's request totaled \$12.45 million (a reduction of \$2.35 million) and was approved by the legislature as submitted. The enclosed FY2019 Capital Project Detail by Agency report shows how the Governor modified the Authority's recommendations.

New Legislation (report No. 5)

The legislature added \$825.0 (DGF) in FY19 to the Department of Health and Social Services associated with SB128 (incorporated into SB104) for the purpose of marijuana education and treatment programs. Fund code 1254 (MET Fund) was created to track the 25% of marijuana excise tax that will be the source of the new fund:

- Behavioral Health/BH Treatment and Recovery Grants - \$65.0 MET Fund; and
- Public Health/Public Health Administration Services - \$760.0 MET Fund.

Chapter No. 18, SLA 2018

[Effective Date: July 1, 2018]

As passed by the Legislature, the bill contains operating and capital appropriations for fiscal year 2019, totaling \$245.8 million, including \$195.7 million in unrestricted general funds, \$30.6 million in designated general funds and \$19.5 million in other fund sources. I am committed to a responsible budget that provides for essential mental health services to the public. I am encouraged to see that the legislature shares this vision and has funded the FY2019 comprehensive mental health program contained in this bill.

Sincerely,

/s/

Bill Walker

Governor"

HB 286

The following letter dated June 13 was received June 15 at 12:58 p.m.:

"Dear Speaker Edgmon:

I have signed, with line item vetoes, the following bill passed during the second session of the Thirtieth Alaska State Legislature and am transmitting the engrossed and enrolled copies to the Lieutenant Governor's Office for permanent filing:

CONFERENCE CS FOR HOUSE BILL NO. 286

"An Act making appropriations for the operating and loan program expenses of state government and for certain programs; capitalizing funds; amending appropriations; making supplemental appropriations; making appropriations under art. IX, sec. 17(c), Constitution of the State of Alaska, from the constitutional budget reserve fund; and providing for an effective date."

Chapter No. 17, SLA 2018
[Effective Date: See Chapter]

As passed by the Legislature, CCS HB 286 contains a total of \$9.4 billion, including \$5.2 billion in unrestricted general fund appropriations for FY2018 and FY2019. This total includes \$1.0 billion for a dividend of \$1,600 to every Alaskan.

The passage of SB26, allowing for a sustainable draw from the Permanent Fund Earnings Reserve, is a critical component of making these operating budget appropriations possible. I commend you and your fellow legislators on working together with my staff to solve 80 percent of the state deficit over the past 3 years. While significant progress has been made in closing the fiscal gap, an ongoing deficit is projected and the state will continue to face budget constraints.

I am encouraged to see even under the constrained budget that many priorities such as public safety investments and modest education increases for both K-12 and the university education are included in the budget. As a result, I have made limited use of my line item veto power. In order for the State of Alaska to emerge successfully from this fiscal crisis, the principles of a sustainable draw from the earnings reserve – as laid out in the Permanent Fund Protection Act (SB26) – must never be violated. Section 30 of this bill allowed for a situation that would have abandoned those principles and drawn from the Permanent Fund Earnings Reserve at a level far beyond what is sustainable for the future security of the state and the dividend program. Although a three-quarter super majority vote was secured to avoid the overdraw, merely including a mechanism that allows for an overdraw is unacceptable for Alaska's future and a precedent that cannot be set.

Additionally, I have vetoed one item added during the legislative process: \$499.0 thousand for a study on vitamin D by the University of Alaska. While the intention of this study has merit, similar research is currently in progress. A new study should be postponed until ongoing research is completed and the conclusions are understood.

My administration remains committed to providing any assistance necessary to enact the remaining tenets of a long-term, sustainable fiscal plan that is balanced and fair. Remaining savings, after the \$14.5

billion drawn since 2013, will not last long and all Alaskans need to embrace a vision for the state that provides priority government services, maintains infrastructure in a state of good repair, educates our children and creates an environment where businesses want to invest in and grow the economy.

I appreciate that Alaskans and investors now have greater certainty and confidence in Alaska's future.

Sincerely,
/s/
Bill Walker
Governor"

SB 142

The following letter dated June 13 was received June 15 at 12:58 p.m.:

"Dear Speaker Edgmon:

I have signed, with line item vetoes, the following bill passed during the second session of the Thirtieth Alaska State Legislature and am transmitting the engrossed and enrolled copies to the Lieutenant Governor's Office for permanent filing:

HOUSE CS FOR CS FOR SENATE BILL NO. 142(FIN) am H

"An Act making appropriations, including capital appropriations, supplemental appropriations, reappropriations, and other appropriations; amending appropriations; making appropriations to capitalize funds; and providing for an effective date."

Chapter No. 19, SLA 2018

[Effective Date: See Chapter]

As passed by the Legislature, HCS CSSB 142(FIN) am H contains a total of \$1.6 billion, including unrestricted general fund appropriations of \$212.1 million for FY2018 and FY2019 capital projects and \$104.9 million for FY2018 and FY2019 operating appropriations. The bill prioritizes funding for projects that leverage federal and local dollars; housing and energy; public safety; and urgent state, school district, and university facilities maintenance. Spending must be taken in context of the fiscal deficit and remaining savings given our difficult fiscal time. While progress has been made in closing the fiscal gap, an ongoing deficit persists, only enabling the state to afford this austere capital budget. Given this constrained capital budget, I have made limited use of my veto power.

I have vetoed \$2.5 million for the Knik Arm Crossing. This project is in the process of being closed-down and no significant progress can be made with the amount of funding authorized in this bill. I have also vetoed the repeal of a project installing pedestrian lighting in an Anchorage neighborhood. After the passage of this bill, it has been brought to our attention that this project has not been completed and the pedestrian lighting is needed in the community. This veto action will ensure this project remains funded.

While I commend you and your fellow legislators on working together with my staff to solve 80 percent of the state deficit over the past 3 years, our work is not yet finished. I look forward to future actions towards closing the remaining fiscal gap. Doing so will give Alaskans and investors greater certainty and confidence in Alaska's future.

Sincerely,
/s/
Bill Walker
Governor"
