10 **WHEREAS** the Declaration of Independence and the United States Constitution  
11 recognize that human beings possess certain inalienable rights; and

12 **WHEREAS** the Declaration of Independence and the United States Constitution do

4           **WHEREAS** recent judicial decisions, including the 2010 United States Supreme  
5 Court opinion issued in Citizens United v. Federal Election Commission at 558 U.S. 310,

18 address those issues;

19           **BE IT RESOLVED** that the Alaska State Legislature, together with the people of the  
20 state, support and call for an amendment to the United States Constitution stating that the  
21 Constitution does not create, grant, or protect constitutional rights of corporations or other  
22 artificial entities, authorizing the federal government to limit expenditures of money to  
23 influence elections and public policy, and overturning the 2010 decision of the United States
