ASSOCIATED REGULATIONS

Does the bill direct, or will the bill result in, regulation changes adopted by your agency? No
 If yes, by what date are the regulations to be adopted, amended or repealed?

Why this fiscal note differs from previous version/comments:

The House Fisheries Committee removed the new definition of "immediate family member" from the bill, which would have only applied to the Boards of Fisheries and Game. The analysis section has been amended to reflect that change.

FISCAL NOTE ANALYSIS

STATE OF ALASKA
2019 LEGISLATIVE SESSION

Analysis

This bill changes the procedures for members of the Board of Fisheries and the Board of Game when it is determined a member has a personal or financial conflict under AS 39.52. Currently, if a member is found to have a conflict on an individual proposal, that member must physically remove themselves from the deliberations and board actions. This bill would allow the member to remain at the table for deliberations but would still require recusal from actions. This bill does not affect either board's existing authority to determine if a member has a conflict under AS 39.52. None of these changes result in a fiscal impact to the department.
