FISCAL NOTE ANALYSIS

STATE OF ALASKA
2020 LEGISLATIVE SESSION

Analysis

This bill creates greater transparency by adding additional requirements for application to operate as a dealer of motor vehicles, it increases the level of the required bond, and adds a new section for insurance requirements. This bill would require minimal changes to the Division of Motor Vehicles existing dealer application and contract. These changes can be done with existing personnel and would have no additional costs, therefore, the Division of Motor Vehicles submits a zero fiscal note.
