 If yes, by what date are the regulations to be adopted, amended or repealed?

### Why this fiscal note differs from previous version/comments:

This note has been updated to reflect changes made in the Senate Finance Committee. The new SCSCSHB 235(FIN) removes the intent language which had directed UA to use a portion of its TVEP allocation to fund training programs through the Kodiak Marine Seafood Science Center (KSMSC), and extends the program for just one year instead of three years. The program will now expire June 30, 2021.

## FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2020 LEGISLATIVE SESSION

## Analysis

The Alaska legislature established the Technical Vocational Education Program (TVEP) in 2000. The TVEP program is administered by the Alaska Workforce Investment Board per AS 23.15.820 and is funded from a portion of Unemployment Insurance (UI) receipts. Program funds are distributed to statutorily designated technical and vocational education entities (AS 23.15.835) to be used to train and educate Alaskans for high-demand occupations. Program funds are allocated to recipients based on the percentages outlined in AS 23.15.835(d). The program is currently scheduled to expire on June 30, 2020.

UA is a comprehensive provider of career and technical training to expand and develop Alaska's workforce and has been a major recipient of TVEP funding since the program's inception. The university's TVEP program provides grants throughout the state for industry-specific, on-the-job, and classroom training, that impacts thousands of students. In FY19, UA served a total of 4,492 students through the TVEP program.

SCSCSHB 235(FIN) reauthorizes the TVEP program as currently established in statute for a single year, until June 30 2021.

UA currently receives 45% of TVEP program funds. UA's total TVEP allocation in FY21 is projected to be \$6,225.2 and that amount is included in the Governor's amended FY21 operating budget.

These figures are based on the Department of Labor & Workforce Development (DOLWD) Research and Analysis Section's revenue projections from 2/5/20 and DOLWD's updated TVEP allocations published 3/10/20.
