## FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2020 LEGISLATIVE SESSION**Analysis**

This legislation extends the sunset date for existing funding allocations for program and grant distributions under AS 23.15.835(d) for the Alaska Technical and Vocational Education Program (TVEP) through June 30, 2025, and adds a new TVEP recipient. This committee substitute decreases the percentage of TVEP funding allocated to TVEP recipients, but increases the overall TVEP contribution rate from the employee portion of the Unemployment Insurance contribution rate from .16 to .18 percent. These two factors combined will result in increased TVEP funds to support vocational programs in FY2021. Funding authorization for the TVEP recipients was included in the FY2021 Governor Amended request.
