FISCAL NOTE ANALYSIS

STATE OF ALASKA
2020 LEGISLATIVE SESSION**Analysis**

This bill ensures that the department requests, accepts and attempts to renew a waiver of the able bodied adults without dependents (ABAWDs) work requirements and time limits for the Supplemental Nutrition Assistance Program (SNAP) to the maximum extent allowed under 7 U.S.C. 2015(o)(4). It ensures that the state cannot establish more stringent requirements.

This bill is duplicative of federal rules and would require the state to change statutes in the event the rules change again. There is no fiscal impact to the department.
